8.	Authentication.....	52
9.	Manage Donated Books	57

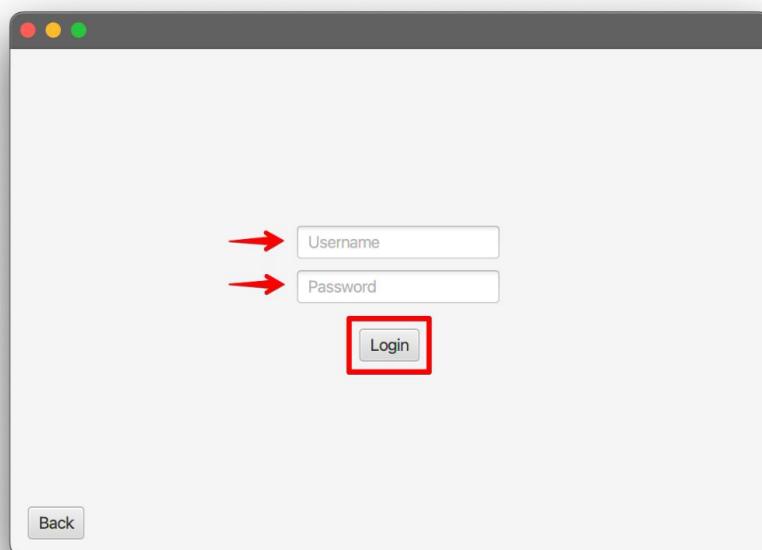

1. View History

Step 1. Start the Book Worm library application.

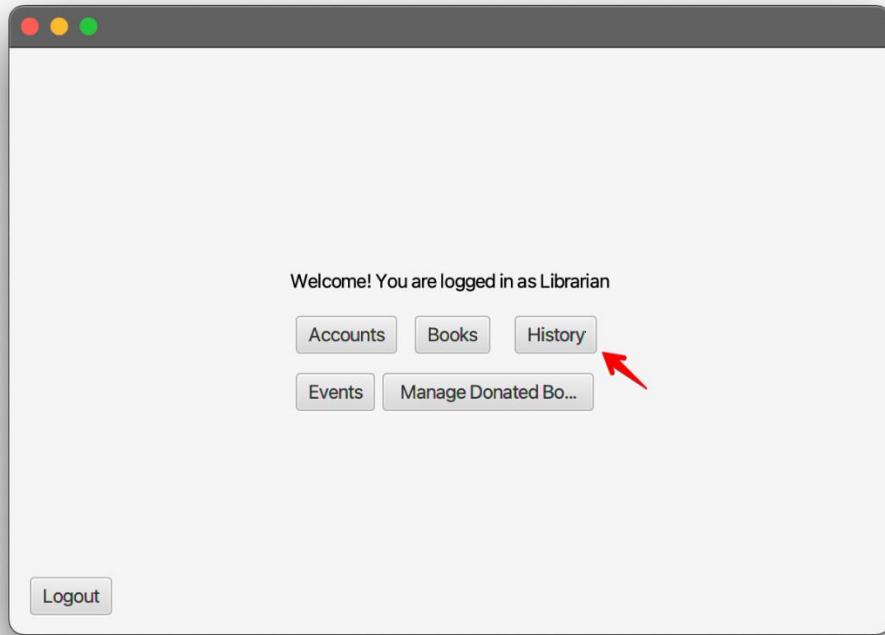

Step 2. Click on the **LOGIN AS LIBRARIAN** button in the top right corner.

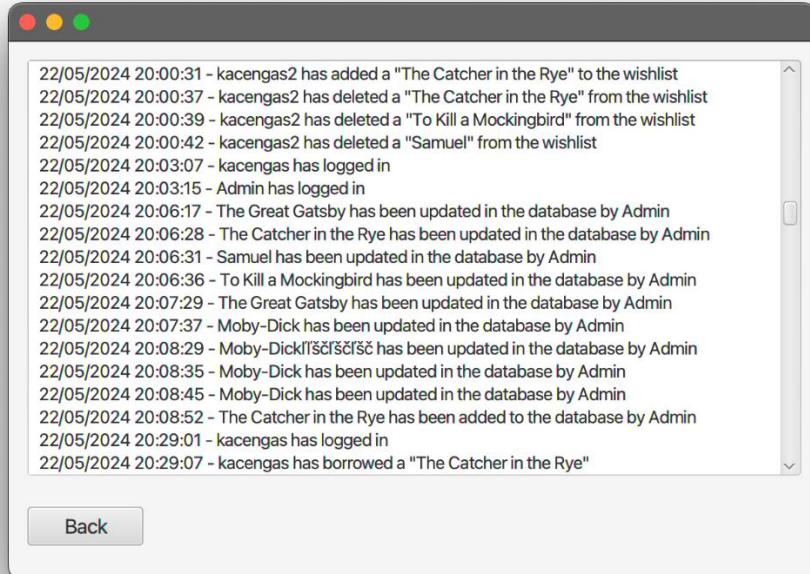

Step 3. Provide a valid username and password and click the **LOGIN** button to log in as a Librarian.

Step 4. From actions menu, click on the **HISTORY** button to open log history view.

Step 5. Browse through log history.

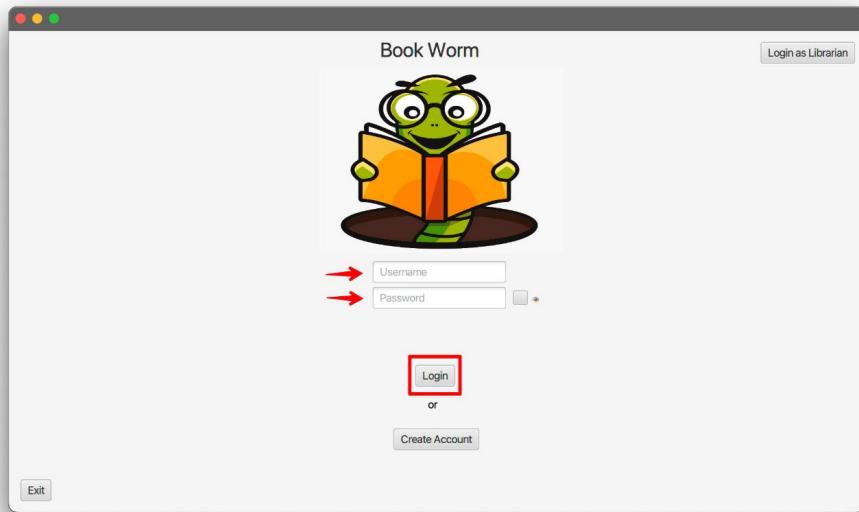

Example of log history window

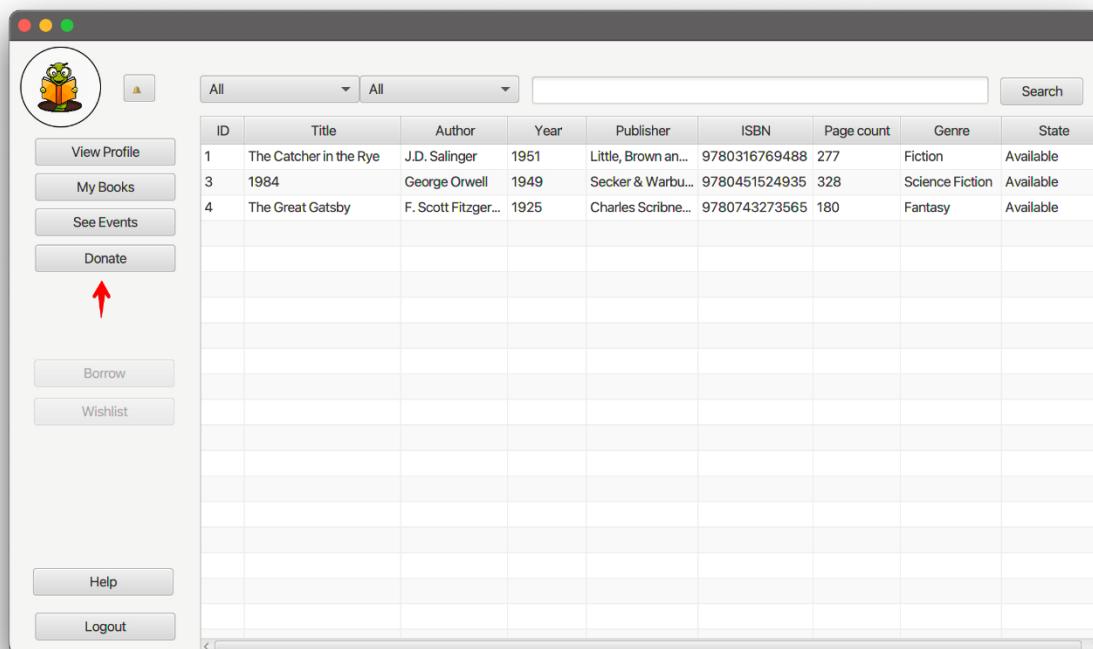

2. Donate Books

Step 1. Start the Book Worm library application.

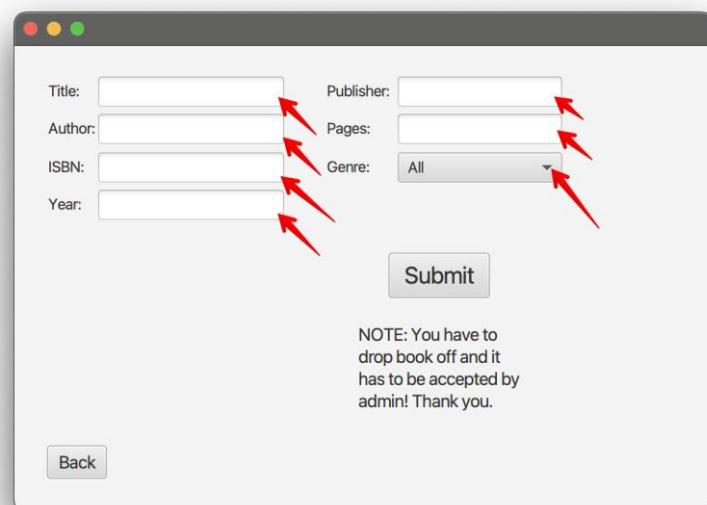

Step 2. Provide a valid username and password and click the **LOGIN** button to log in as a Patron.

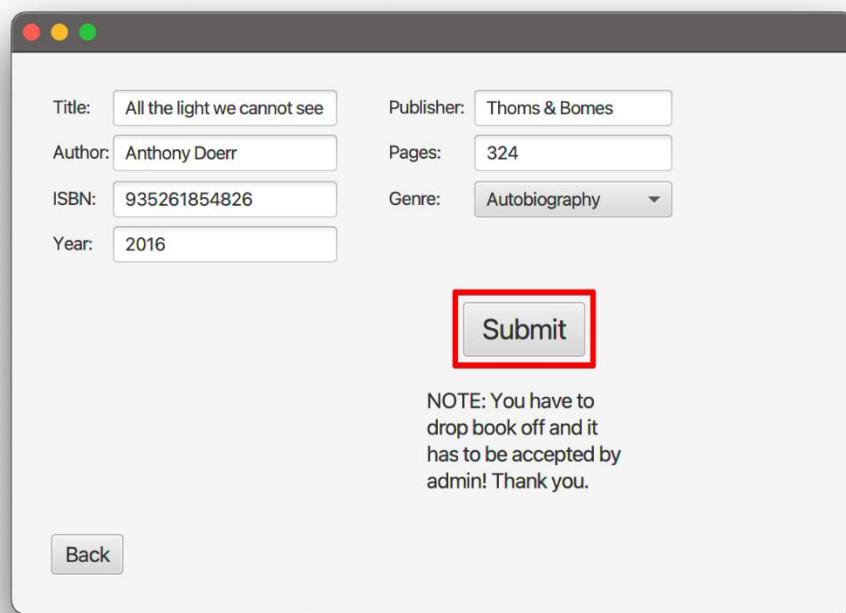

Step 3. In the main menu, click the **DONATE** button to open the donate book view.

Step 4. Carefully read the note and input valid book details.

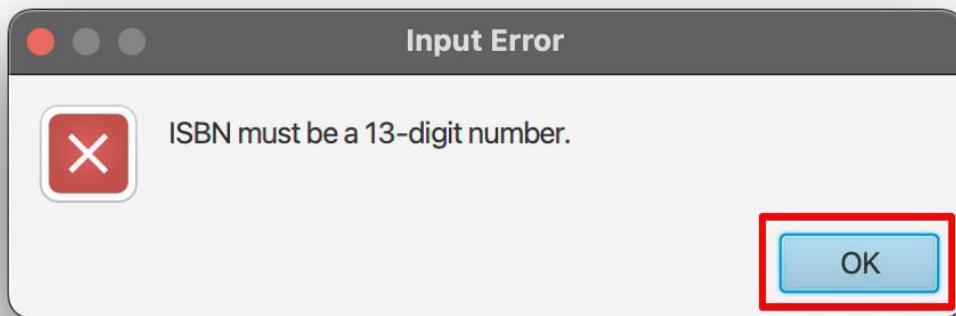

Step 5. Click the **SUBMIT** button to submit a donation request.

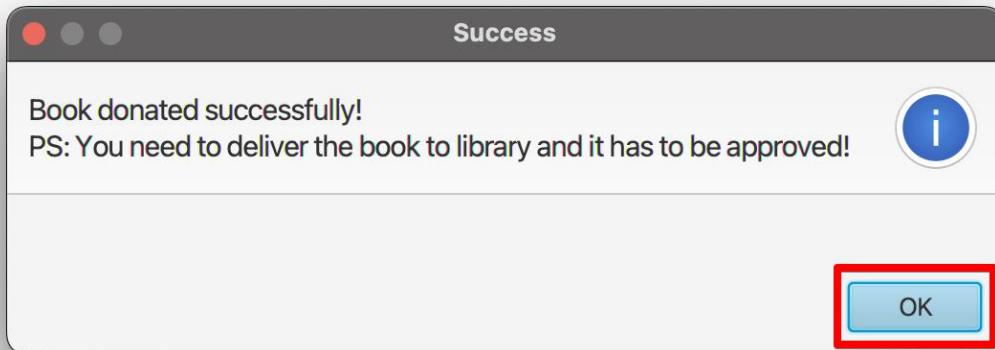

Donate book view with example book details

Step 6. The system will check and inform you through an alert if any details provided are incorrect. If that's the case, click the **OK** button and correct the invalid book details.

Example invalid book detail error

Step 7. If the book details provided are correct, success alert will be shown to ensure you, that your donate request got sent. Click the **OK** button to close the alert.

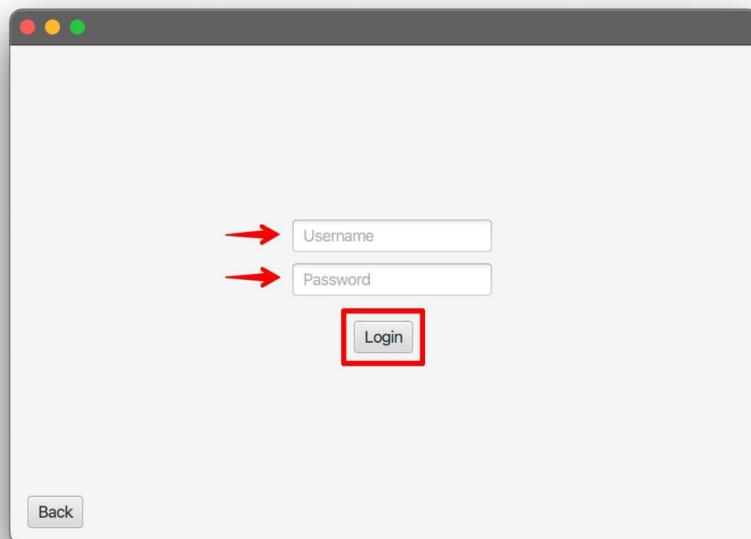

3. Manage Events

Step 1. Start the Book Worm library application.

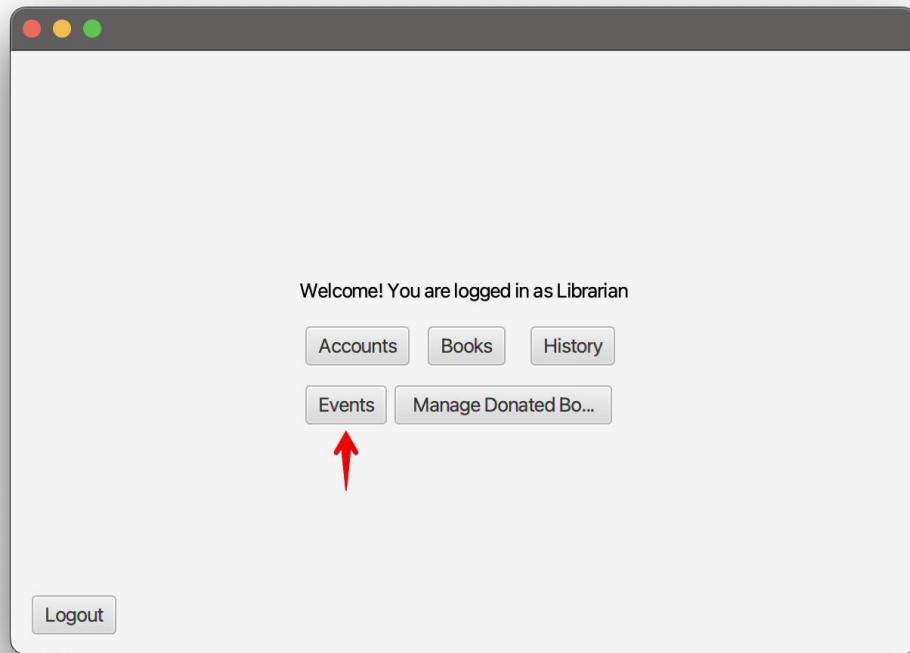

Step 2. Click on the **LOGIN AS LIBRARIAN** button in the top right corner.

Step 3. Provide a valid username and password and click the **LOGIN** button to log in as a Librarian.

Step 4. Click the **EVENTS** button to open the manage events view.

Step 5. Browse through events.

A screenshot of a table view titled "Events". The table has three columns: "Title", "Description", and "Date". Two rows of data are visible:

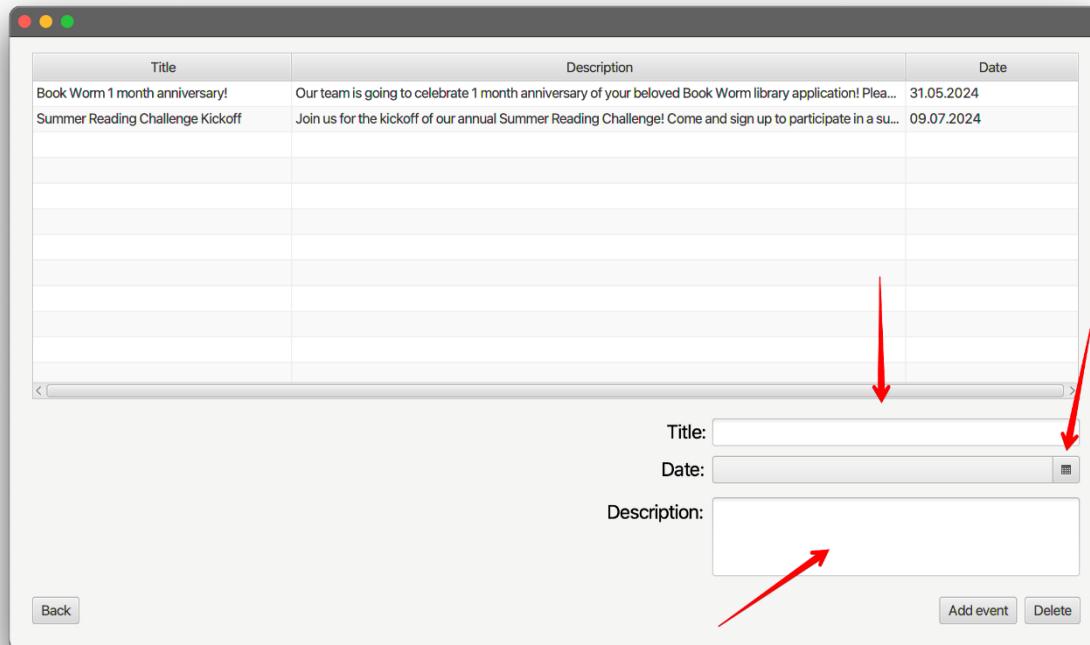

Title	Description	Date
Book Worm 1 month anniversary!	Our team is going to celebrate 1 month anniversary of your beloved Book Worm library application! P...	31.05.2024
Summer Reading Challenge Kickoff	Join us for the kickoff of our annual Summer Reading Challenge! Come and sign up to participate in ...	09.07.2024

At the bottom left of the table is a "Back" button.

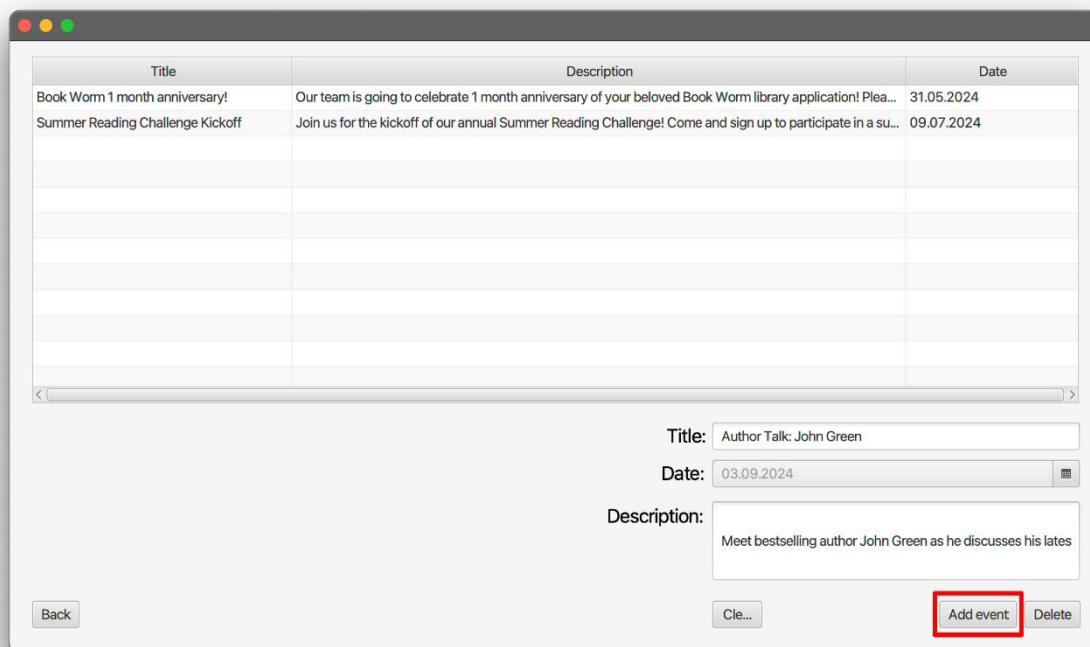

Example of managing events view

Adding event

Step 1a. Input relevant event details into the fields.

Step 2a. Click the **ADD EVENT** button to add the event to the events list.

Step 3a. The event gets added to an events list.

Title	Description	Date

 Description:

Step 2b. Edit relevant data.

Step 3b. Click the **SAVE** button to save any changes made to the event.

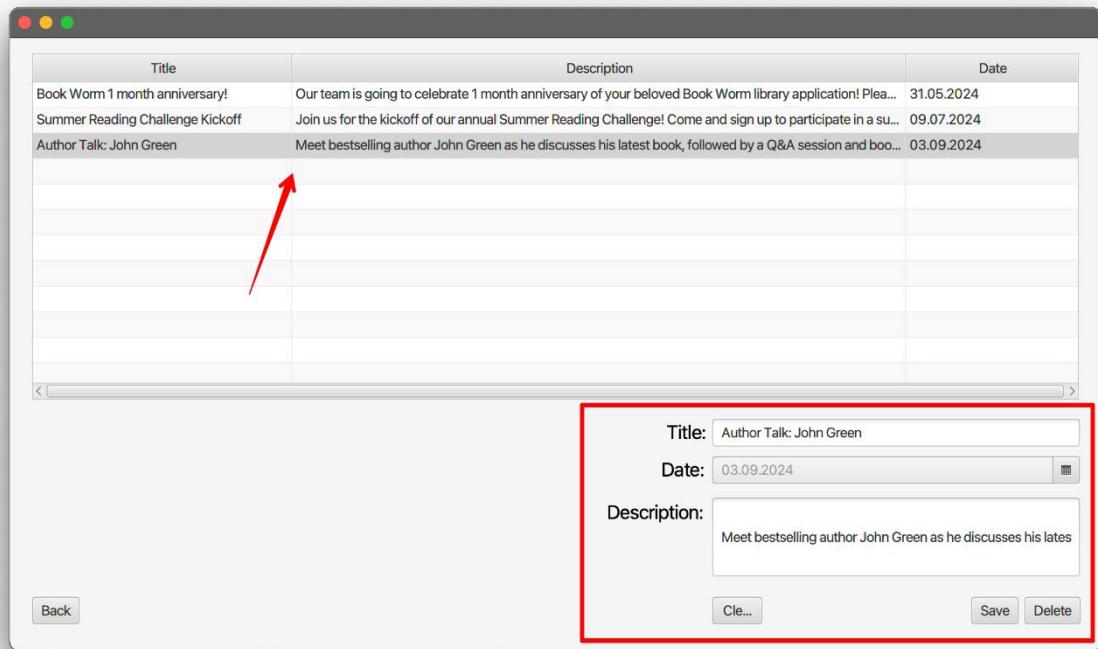

Step 4b. A success alert will be shown. Click the **OK** button to close the alert.

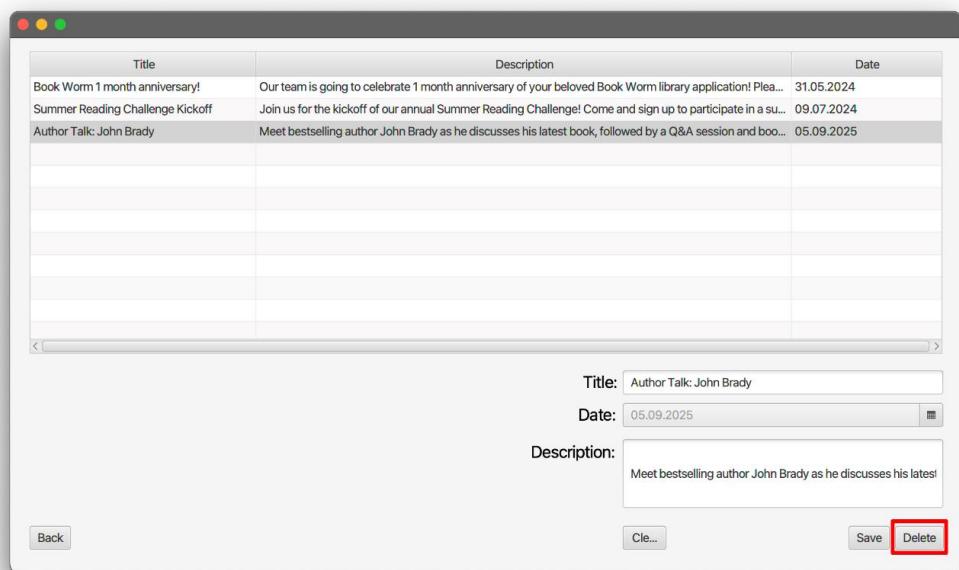

Removing event

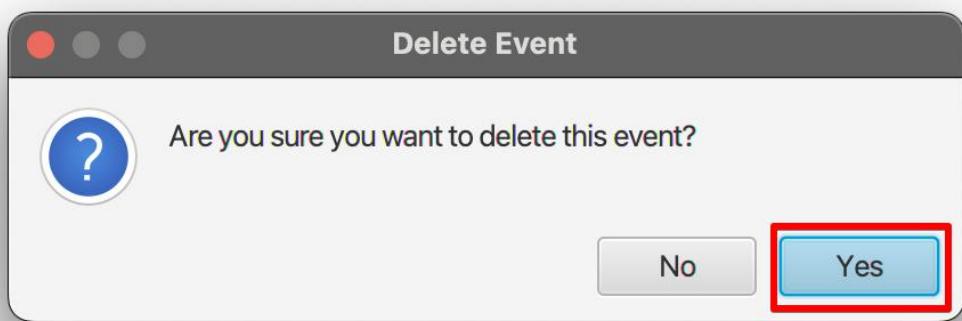

Step 1c. Select the event you are interested in removing, and event detail fields will fill out automatically.

Step 2c. Click the **DELETE** button in the bottom right corner of the window.

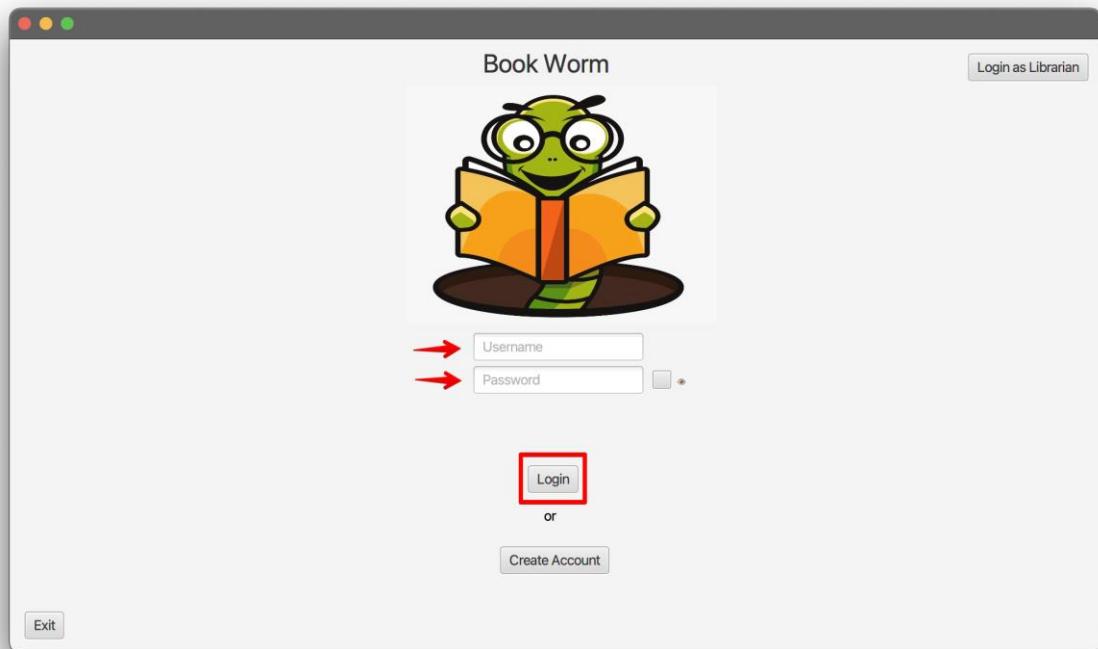

Step 3c. The confirmation alert will be shown. Click the **YES** button to proceed with the event deletion. (In case you clicked the previous **DELETE** button by accident, Click the **NO** button to cancel the event deletion).

4. Use Library

Step 1. Start the Book Worm library application.

Step 2. Provide a valid username and password and click the **LOGIN** button to log in as a Patron.

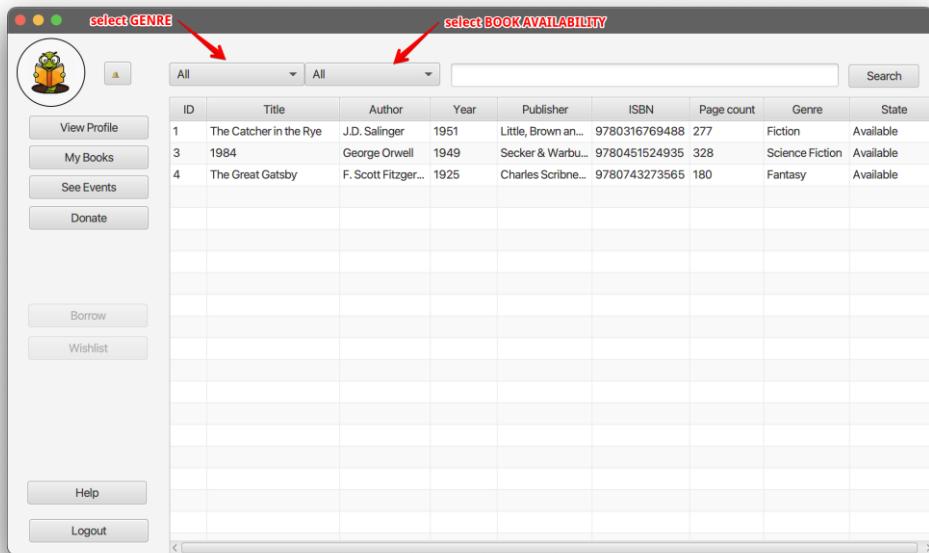

Step 3. Browse through the books.

The image shows the book browsing interface. On the left, there's a sidebar with user profile links like "View Profile", "My Books", "See Events", "Donate", "Borrow", and "Wishlist", along with "Help" and "Logout" buttons. The main area features a search bar with dropdown filters for "All" and a "Search" button. A large red box highlights a table listing four books. The table has columns for ID, Title, Author, Year, Publisher, ISBN, Page count, Genre, and State. The data is as follows:

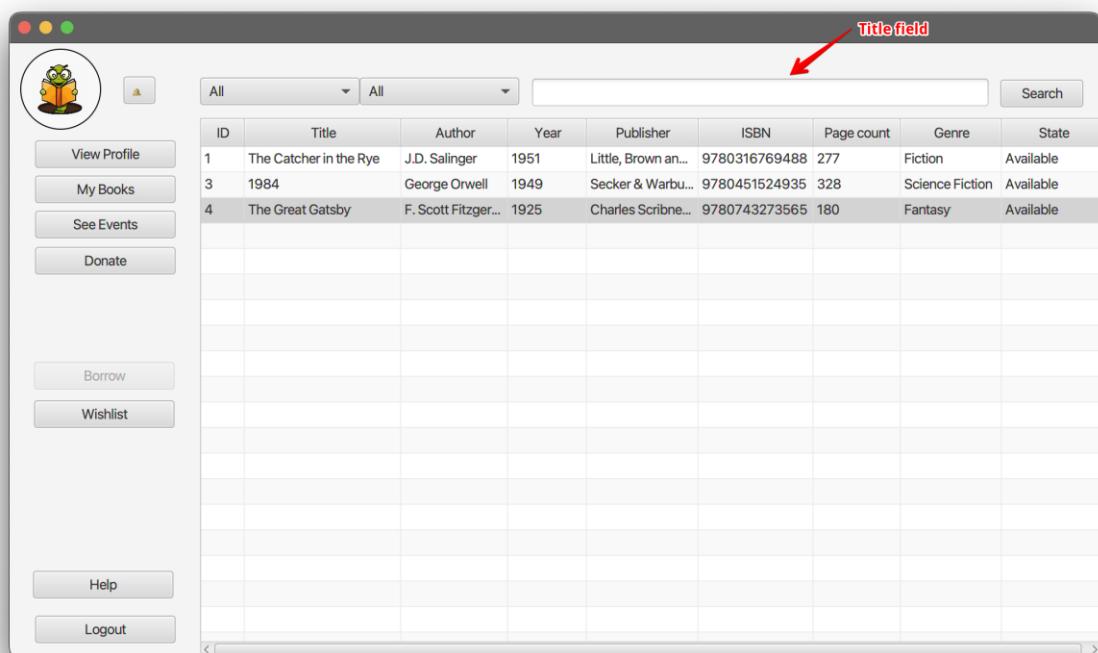

ID	Title	Author	Year	Publisher	ISBN	Page count	Genre	State
1	The Catcher in the Rye	J.D. Salinger	1951	Little, Brown an...	9780316769488	277	Fiction	Available
3	1984	George Orwell	1949	Secker & Warbu...	9780451524935	328	Science Fiction	Available
4	The Great Gatsby	F. Scott Fitzgerald	1925	Charles Scribne...	9780743273565	180	Fantasy	Available

Browse/Filter Books

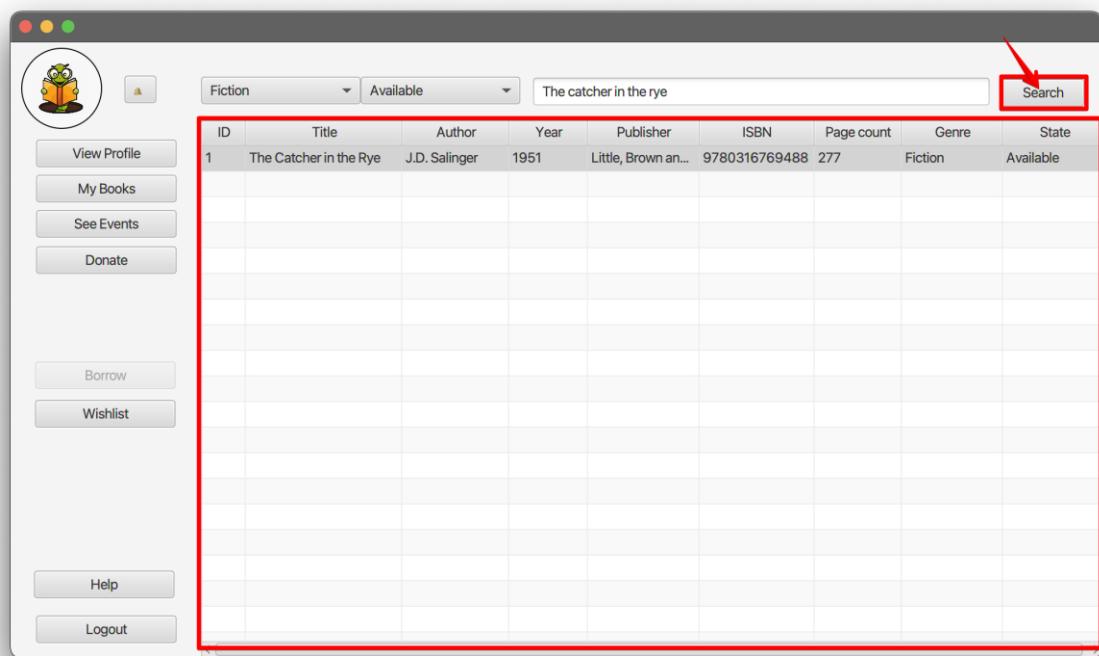

Step 1a. To search for a specific book, click on the combo boxes at the top of the window. They filter by **GENRE** and by **BOOKS AVAILABILITY**.

Step 2a. To search for a specific book by **TITLE**, click on the field in the top right side of the window.

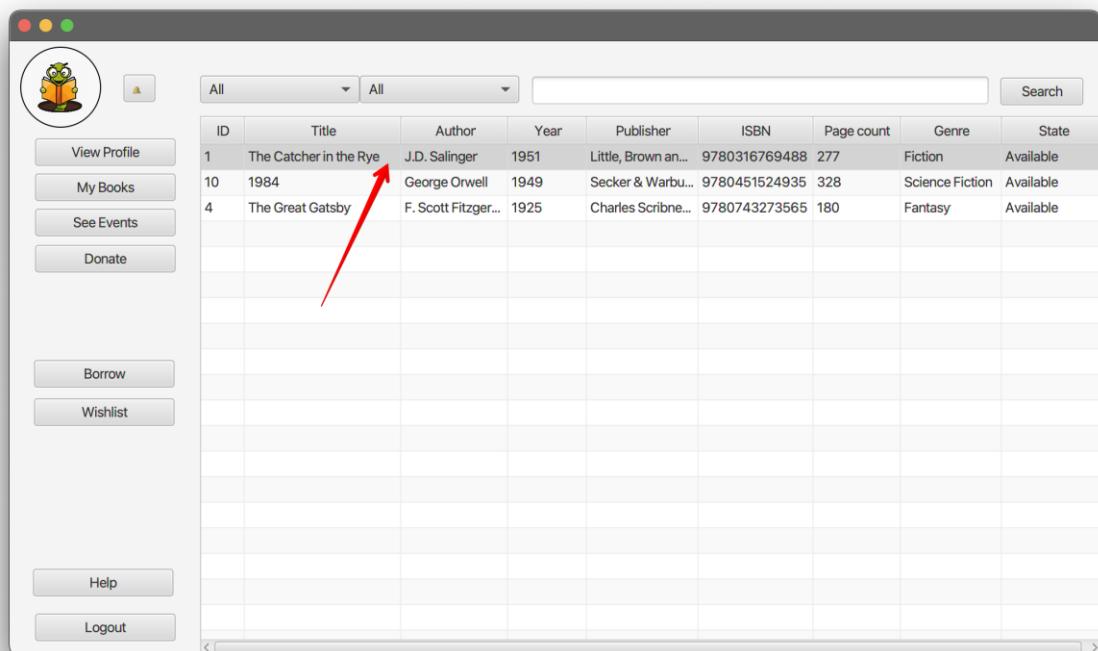

Step 3a. Click on the **SEARCH** button to search for the books with chosen criteria.

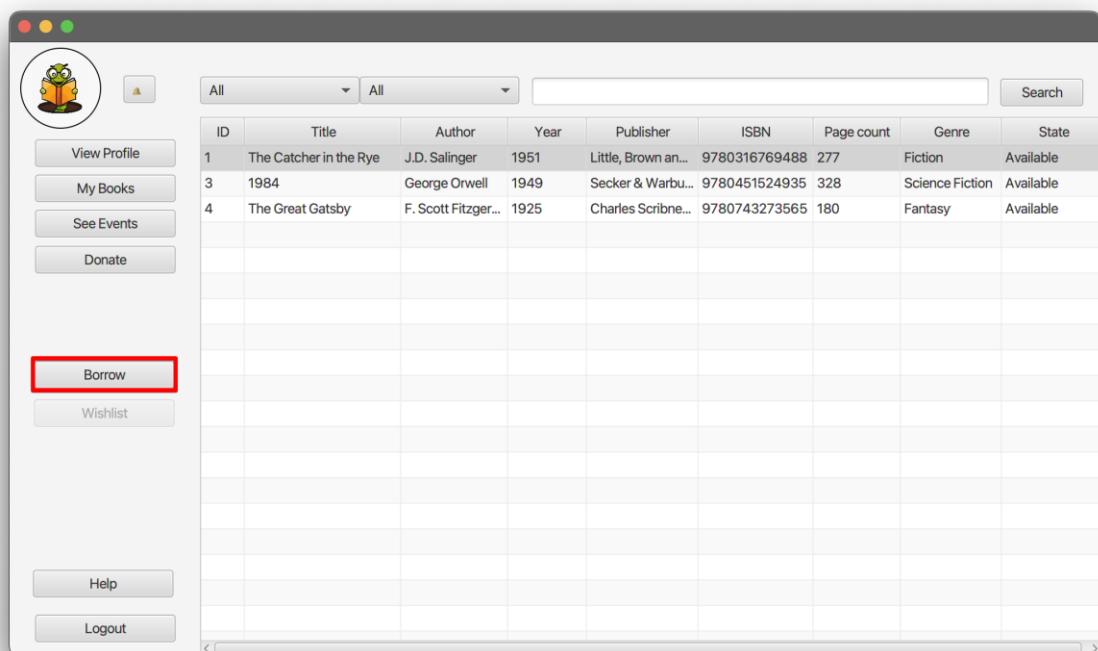

Example usage of filter/browse feature

Borrow Book

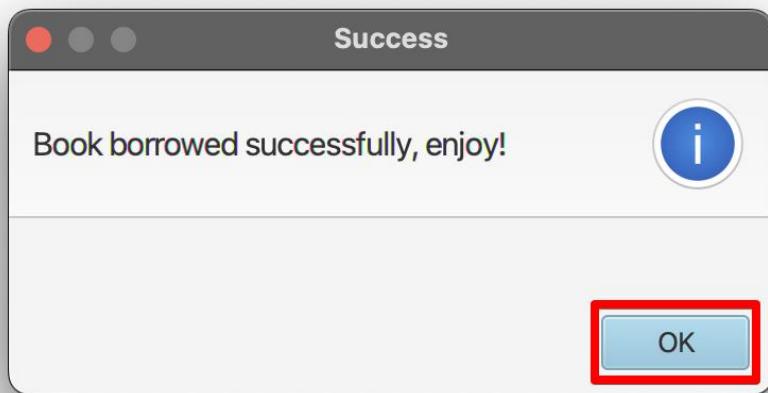

Step 1b. Select desired book from the list of books.

Step 2b. Click on the **BORROW** button on the middle-left side of the window.

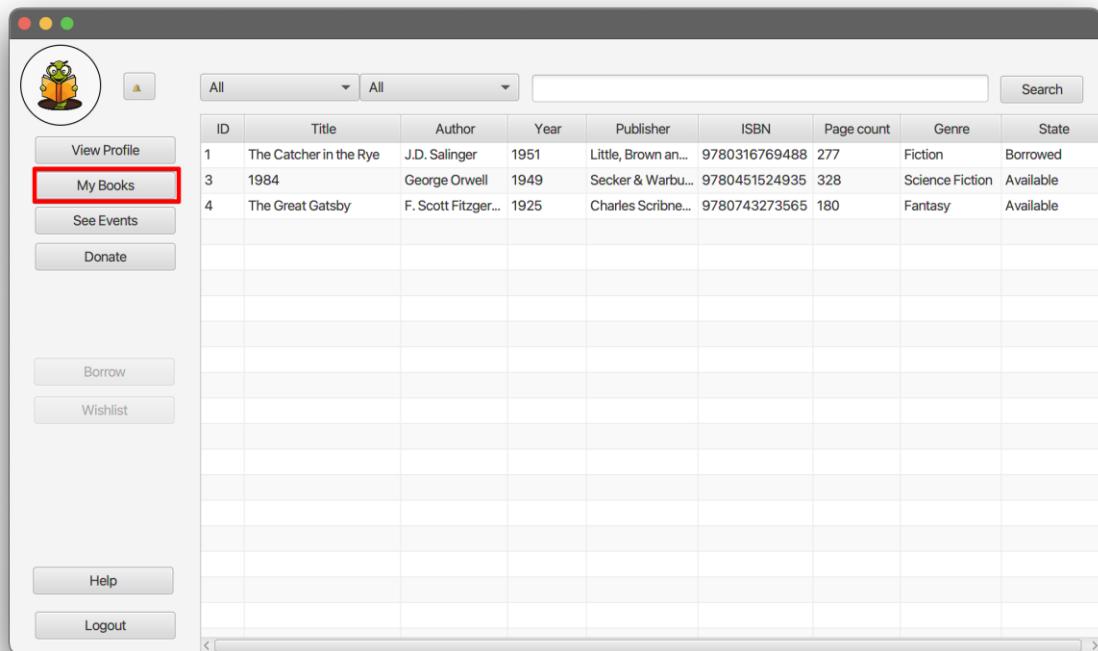

Step 3b. The system will show success alert. Click the **OK** button to confirm.

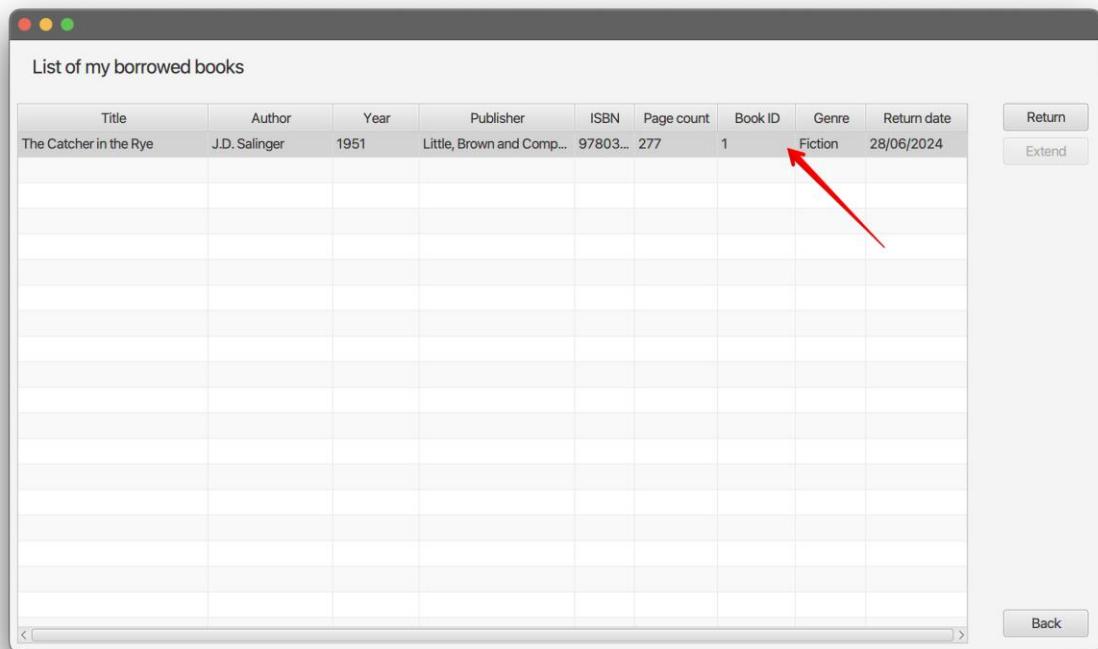

Return Books

Step 1c. Click on the **MY BOOKS** button.

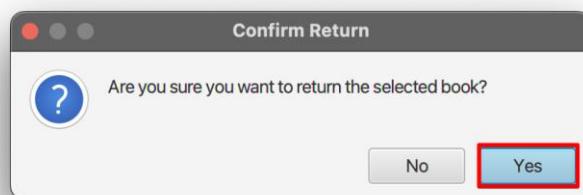

Step 2c. In "my books" view, select the book you want to return.

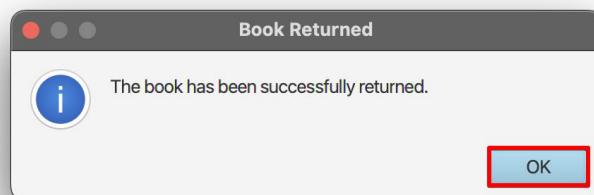

Step 3c. Click on the **RETURN** button in the top right side of the window.

Step 4c. The confirmation alert will be shown. Click on the **YES** button to confirm. (Click on the **NO** button to cancel).

Step 5c. The success alert will be shown. Click the **OK** button to confirm.

Add book to wishlist

Step 1d. Browse through the books.

A screenshot of a Mac OS X-style application window titled "Books". The window contains a sidebar with icons for "View Profile", "My Books", "See Events", "Donate", "Borrow", and "Wishlist". Below the sidebar is a search bar with dropdown menus set to "All" and a "Search" button. The main area is a table with the following columns: ID, Title, Author, Year, Publisher, ISBN, Page count, Genre, and State. The table has four rows of data:

ID	Title	Author	Year	Publisher	ISBN	Page count	Genre	State
1	The Catcher in the Rye	J.D. Salinger	1951	Little, Brown an...	9780316769488	277	Fiction	Available
3	1984	George Orwell	1949	Secker & Warbu...	9780451524935	328	Science Fiction	Available
4	The Great Gatsby	F. Scott Fitzgerald	1925	Charles Scribne...	9780743273565	180	Fantasy	Available

Step 2d. Select the book you want to wishlist.

A screenshot of the same application window as above, showing the same book list. A red arrow points to the second row of the table, specifically to the "Title" column of the book "1984" by George Orwell. This indicates that the user has selected this book for their wishlist.

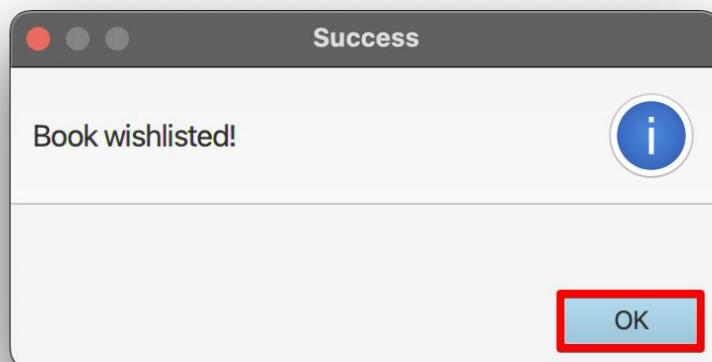

Example book selection

Step 3d. Click on the **WISHLIST** button.

The screenshot shows a desktop application window titled 'All'. It features a sidebar on the left with a circular profile icon of a frog reading a book, and buttons for 'View Profile', 'My Books', 'See Events', and 'Donate'. Below these are 'Borrow' and 'Wishlist' buttons, with 'Wishlist' being highlighted by a red rectangle. The main area contains a table with columns: ID, Title, Author, Year, Publisher, ISBN, Page count, Genre, and State. The table has four rows of data.

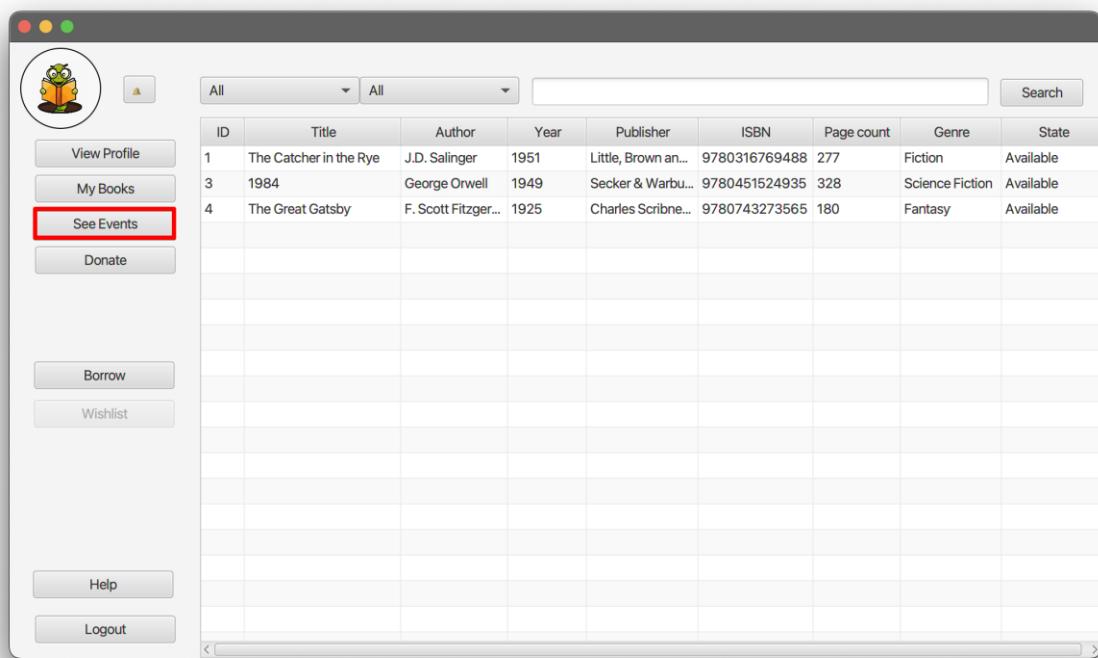

ID	Title	Author	Year	Publisher	ISBN	Page count	Genre	State
1	The Catcher in the Rye	J.D. Salinger	1951	Little, Brown an...	9780316769488	277	Fiction	Available
3	1984	George Orwell	1949	Secker & Warbu...	9780451524935	328	Science Fiction	Available
4	The Great Gatsby	F. Scott Fitzgerald	1925	Charles Scribne...	9780743273565	180	Fantasy	Available

Step 4d. The success alert will be shown. Click on the **OK** button to confirm.

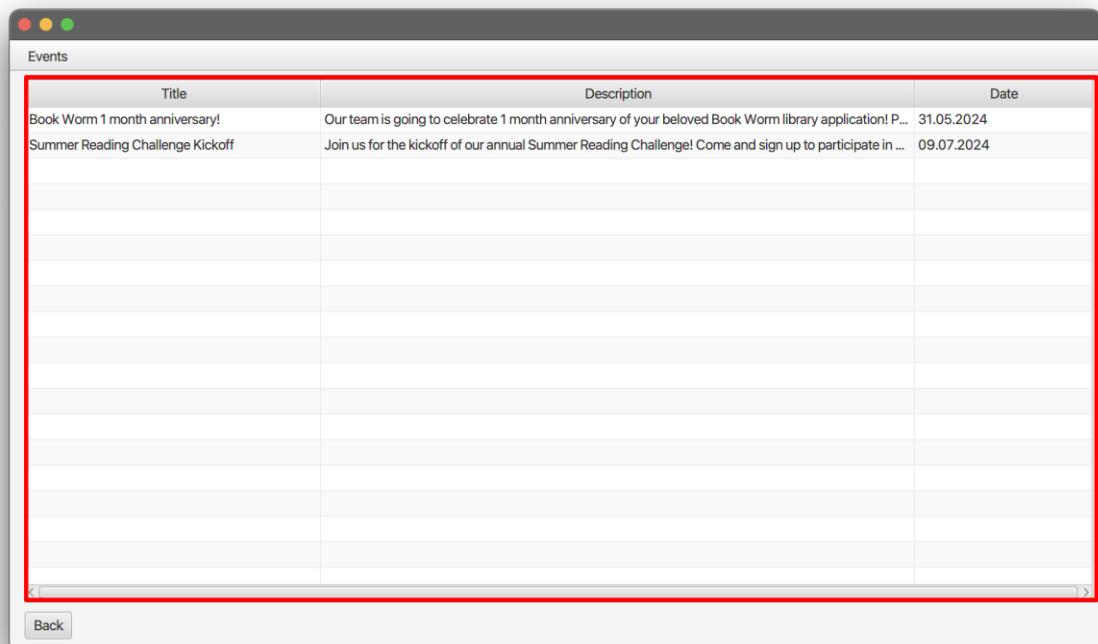

Browse events

1e. Click on the **SEE EVENTS** button.

Step 2e. Browse through the event list.

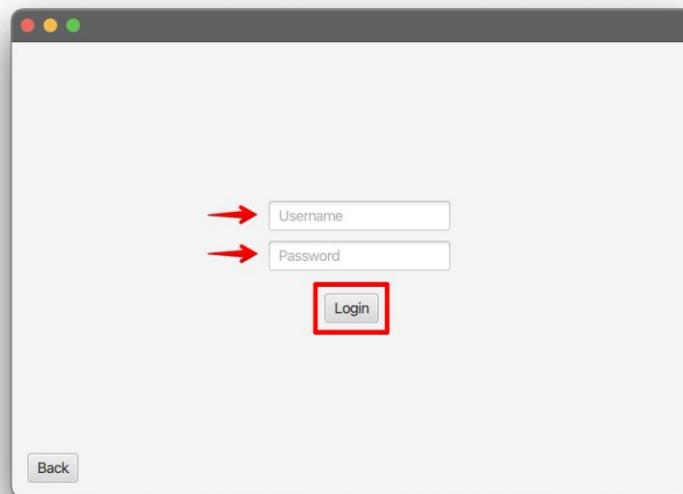

5. Manage Books

Step 1. Start the Book Worm library application.

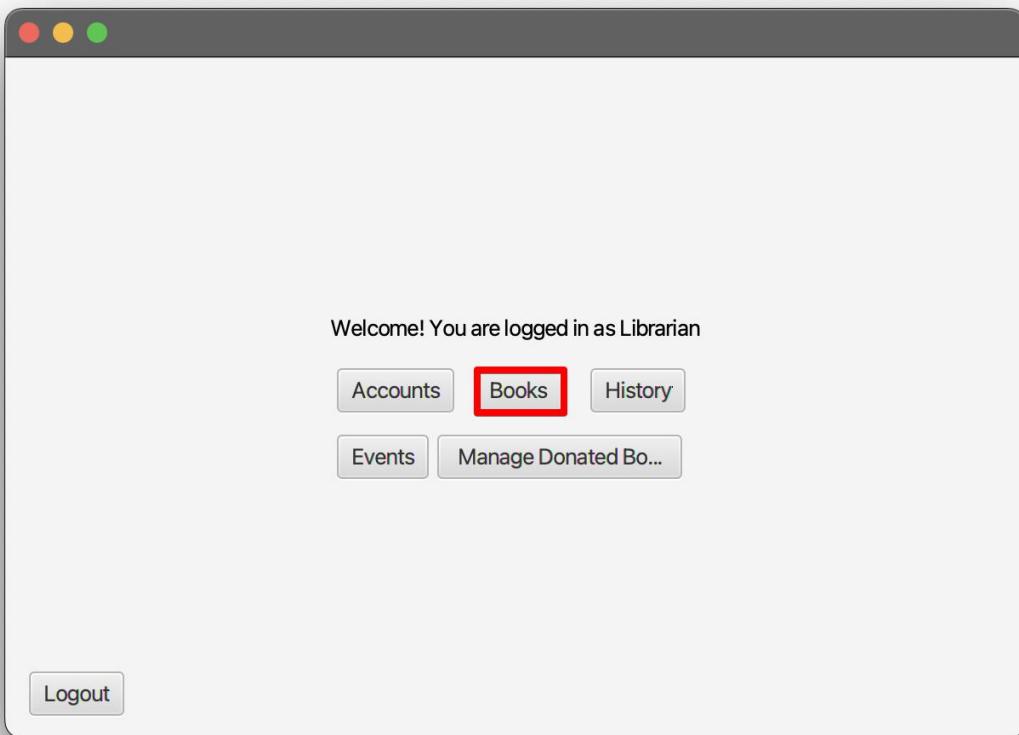

Step 2. Click on the **LOGIN AS LIBRARIAN** button in the top right corner.

Step 3. Provide a valid username and password and click the **LOGIN** button to log in as a Librarian.

Step 4. Click on the **BOOKS** button.

Step 5. Browse through books. (If you want to search for book with the specific title use underlined search bar)

ID	Title	Author	ISBN	Year	Pages	Genre	Publisher
1	The Catcher in the R...	J.D. Salinger	9780316769488	1951	277	Fiction	Little, Brown and Company
3	1984	George Orwell	9780451524935	1949	328	Science Fiction	Secker & Warburg
4	The Great Gatsby	F. Scott Fitzgerald	9780743273565	1925	180	Fantasy	Charles Scribners Sons

Back

The screenshot shows a "Manage Books" window. It contains a table of books with columns: ID, Title, Author, ISBN, Year, Pages, Genre, and Publisher. The table has four rows of data. Below the table are search and filter fields: a search bar, ID and Pages inputs, Title and Genre dropdowns, Author and Year inputs, ISBN and出版社 buttons, and a Publisher input with a Save button. A "Back" button is at the bottom left.

Add Book

Step 1a. Click on the **CLEAR** button to ensure every field is empty.

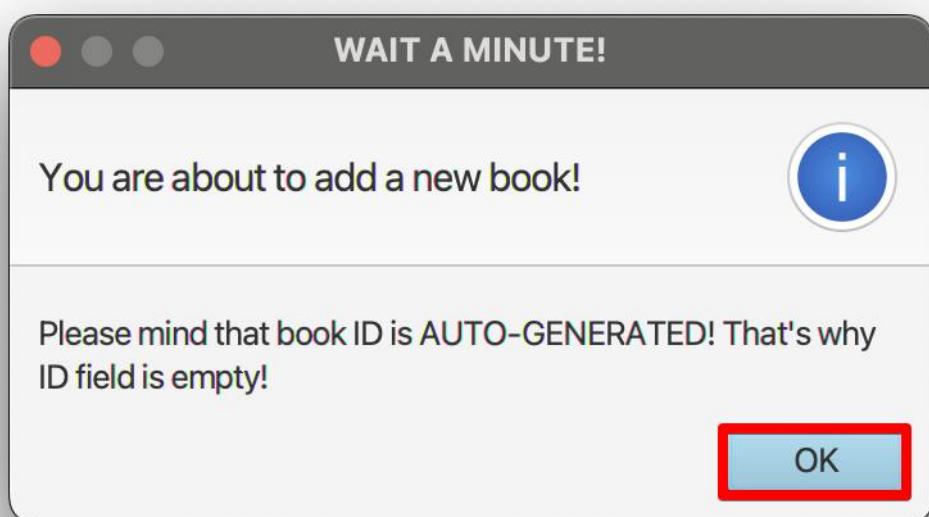

The screenshot shows a window titled "Manage Books". At the top is a table with columns: ID, Title, Author, ISBN, Year, Pages, Genre, and Publisher. Below the table are search fields: "ID:" and "Pages:", "Title:" and "Genre: All", "Author:" and "Year:", "ISBN:", and "Publisher:". A "Search" button is located next to the "Title" field. Below these are buttons for "Clear", "Add", "Remove", and "Save". A "Back" button is at the bottom left. A red box highlights the "Clear" button.

Step 2a. Input valid book details into the text fields.

The screenshot shows the same "Manage Books" window. The search fields and buttons are identical to the previous screenshot. However, the "ISBN:" field now contains the value "9780316769488". A large red box surrounds the entire set of input fields: "ID:", "Pages:", "Title:", "Genre:", "Author:", "Year:", "ISBN:", and "Publisher:", indicating they are all intended for input.

Step 3a. Click on the **ADD** button.

Step 4a. The information alert will be shown. Read it carefully, then click the **OK** button.

Step 5a. The book gets added to book list.

Manage Books

ISBN: 9781234567890

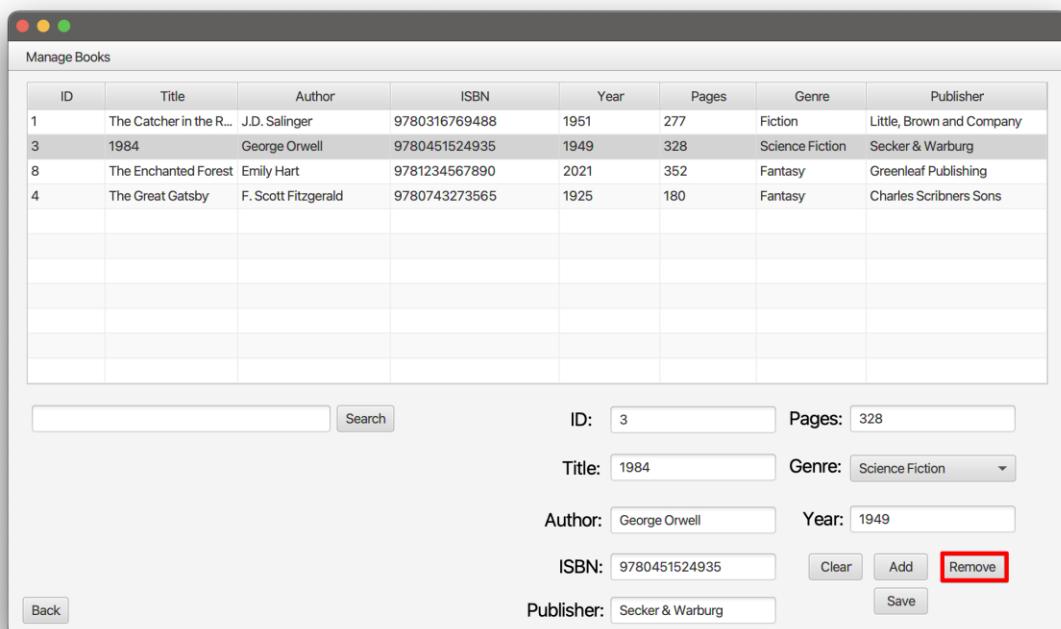

Publisher: Greenleaf Publishing

Remove Book

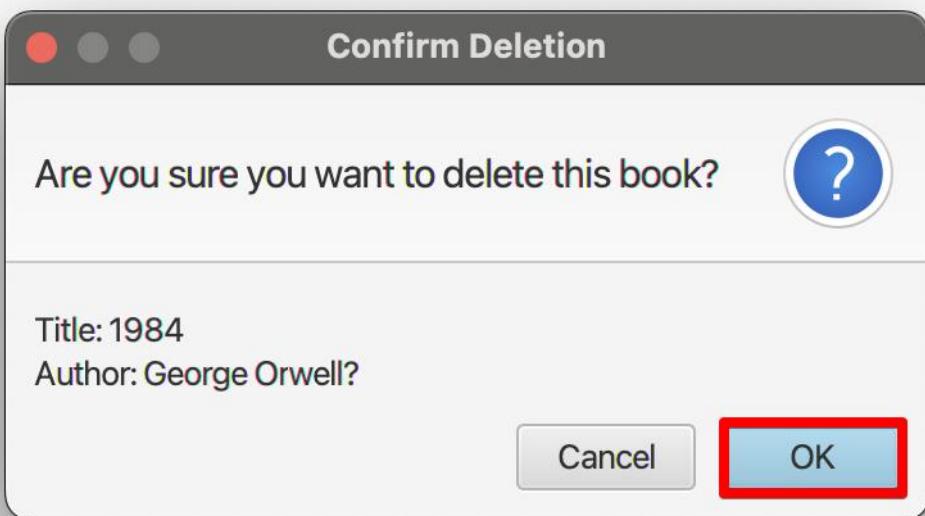

Step 1b. Select the book you want to remove.

Step 2b. Click on the **REMOVE** button on the bottom left side of the window. **DISCLAIMER:** You cannot remove a book that is borrowed!

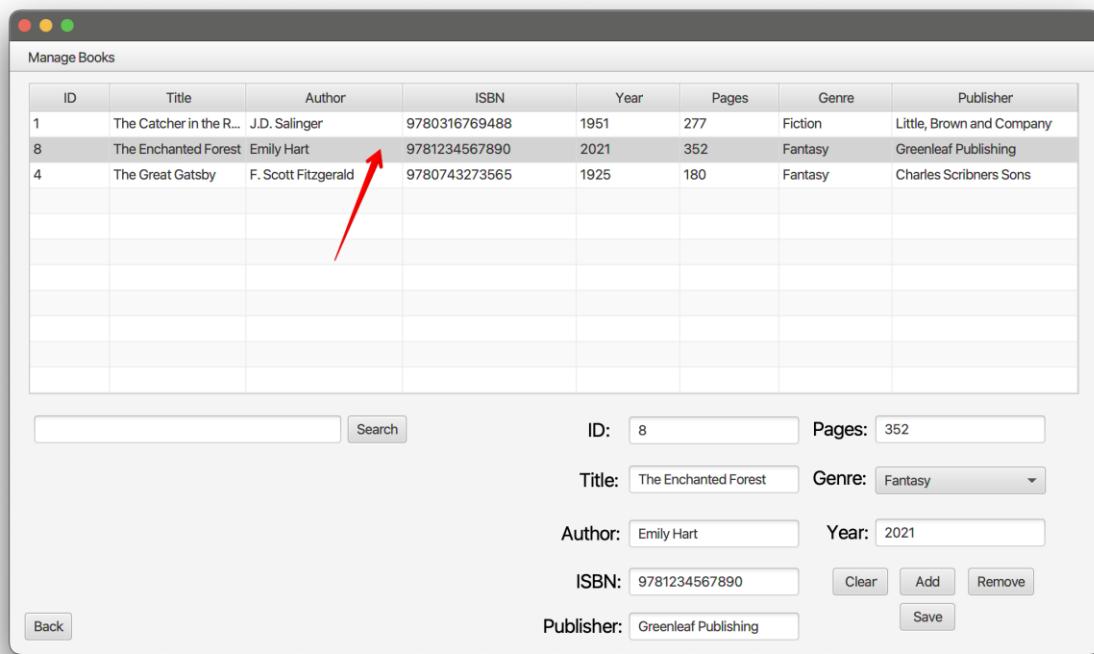

Step 3b. The confirmation alert will be shown. Click on the **OK** button to confirm the removal. (Click on the **CANCEL** button to cancel the removal)

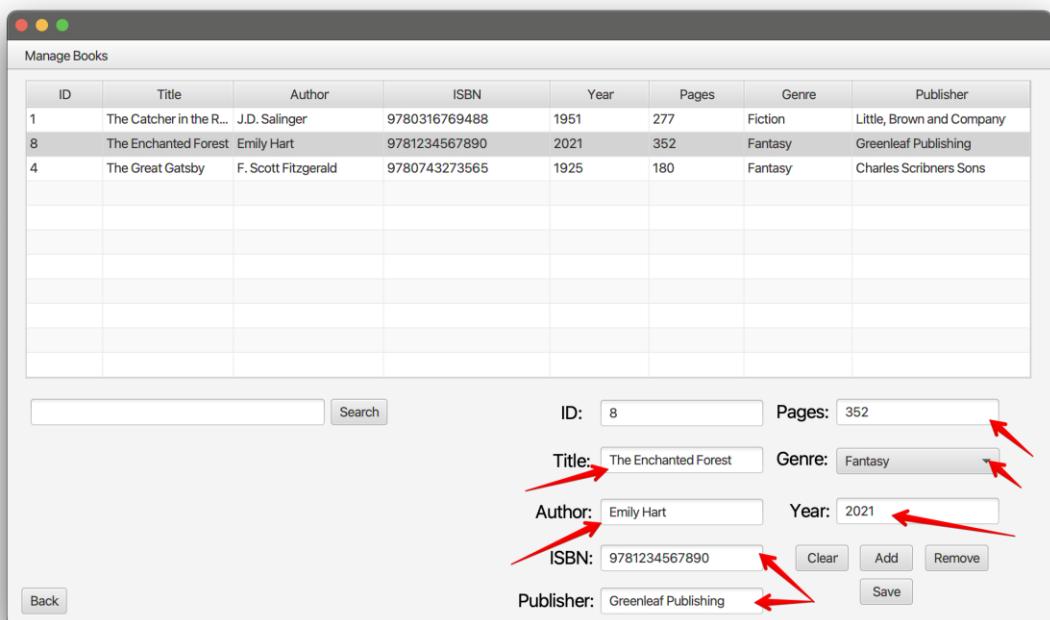

Edit Book

Step 1c. Select the book you want to edit. Book detail fields are filled out automatically after selection.

Step 2c. Edit fields with relevant book details.

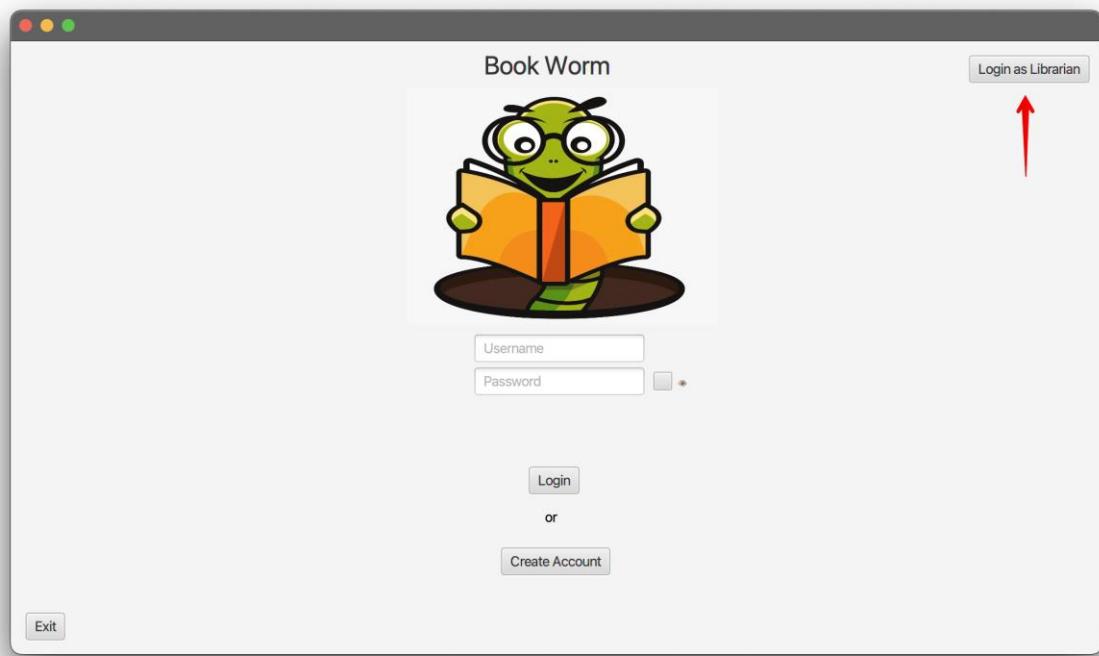

Step 3c. Click on the **SAVE** button in bottom right side of the window.

Step 4c. The book details get edited.

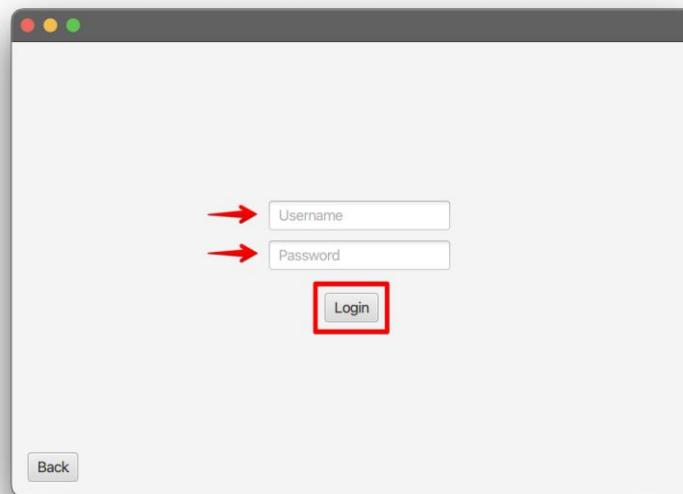

6. Manage Accounts

Step 1. Start the Book Worm library application.

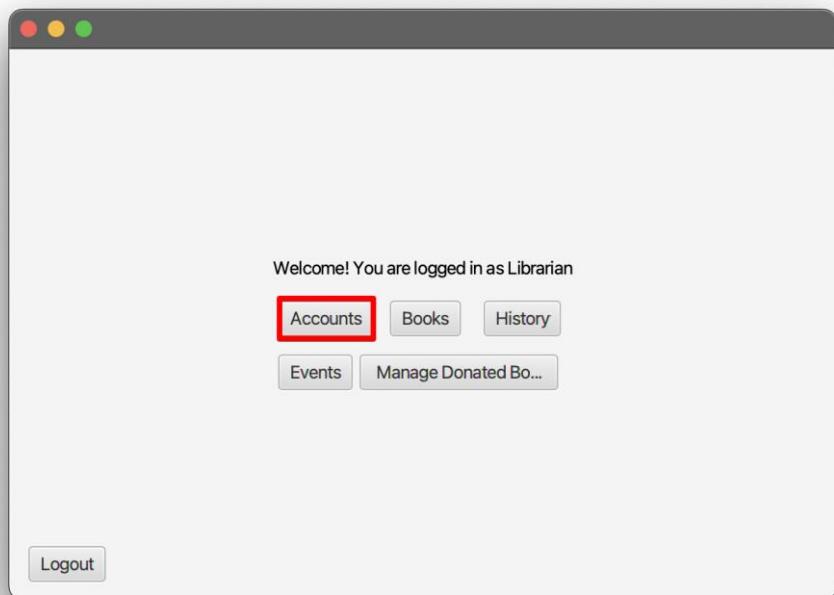

Step 2. Click on the **LOGIN AS LIBRARIAN** button in the top right corner.

Step 3. Provide a valid username and password and click the **LOGIN** button to log in as a Librarian.

Step 4. Click on the **ACCOUNTS** button.

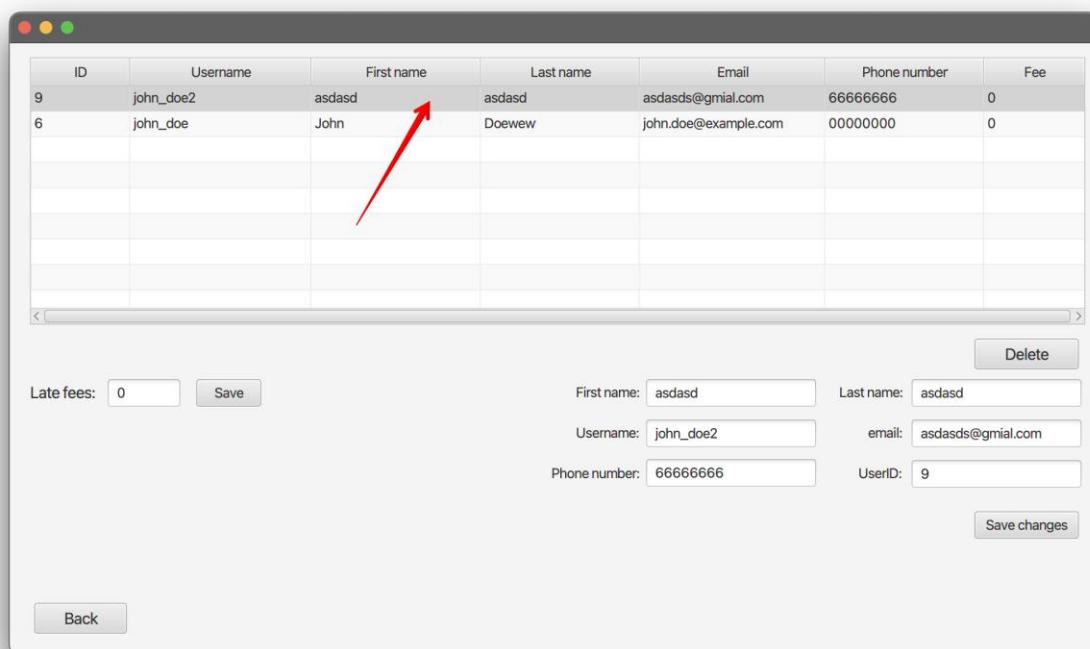

Step 5. Browse through accounts.

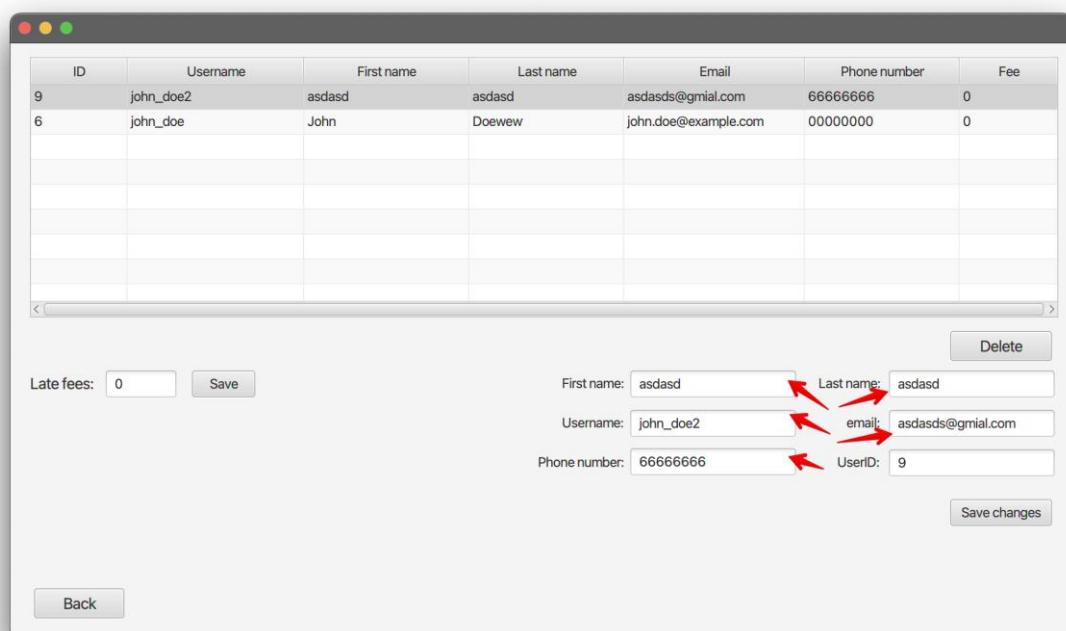

ID	Username	First name	Last name	Email	Phone number	Fee
9	john_doe2	asdasd	asdasd	asdads@gmail.com	66666666	0
6	john_doe	John	Doeeww	john.doe@example.com	00000000	0

Edit Account

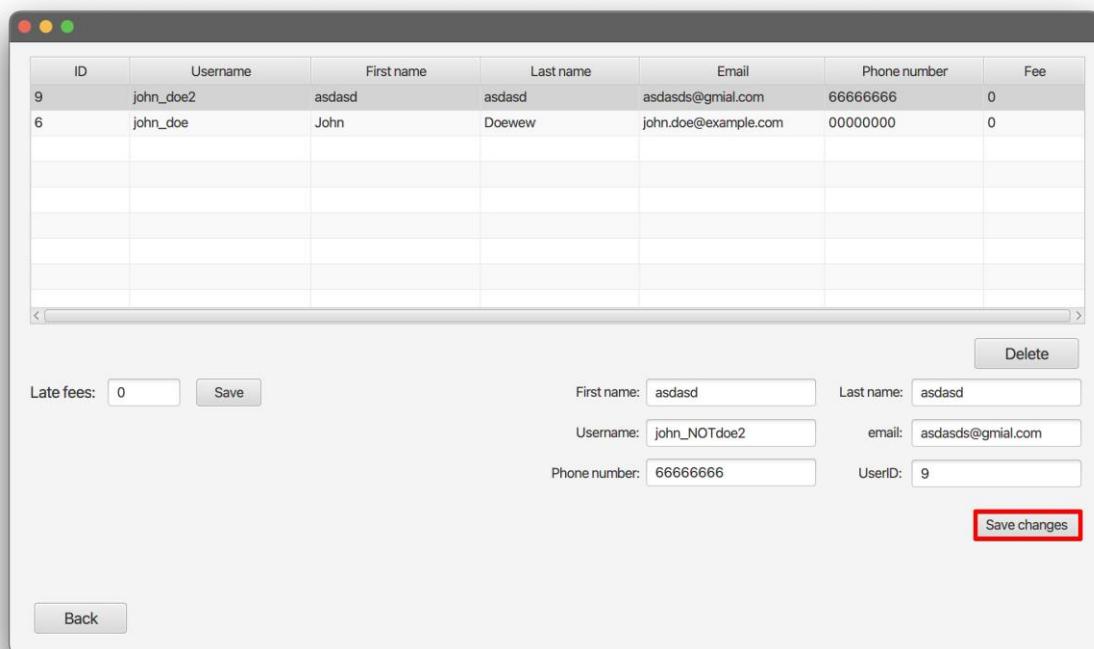

Step 1a. Select the account you want to edit. The account details fields are filled out automatically after selection.

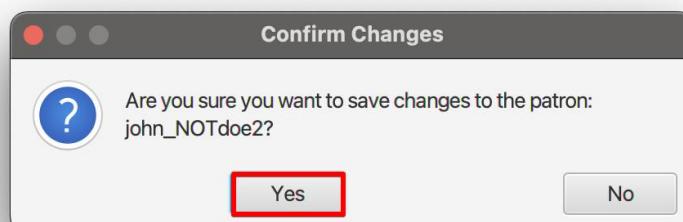

Step 2a. Edit fields with relevant account details.

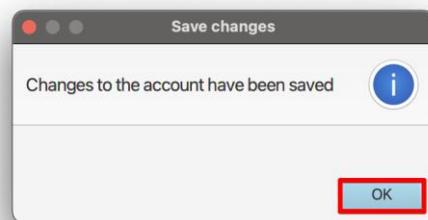

Step 3a. Click on the **SAVE CHANGES** button.

Step 4a. The confirmation alert will be shown. Click the **YES** button to confirm changes. (Click the **NO** button to cancel changes).

Step 5a. The success alert will be shown. Click the **OK** button to confirm.

Impose Fees To The Account

Step 1b. Select the account you want to impose fees to. You can see current account fees in the last column of the list.

The screenshot shows a user management application window. At the top, there is a table with columns: ID, Username, First name, Last name, Email, Phone number, and Fee. Two rows are visible: one for user ID 6 (john_doe) and one for user ID 9 (john_NOTdoe2). The row for user ID 9 has a red arrow pointing to its 'Fee' column, which contains the value '0'. Below the table, there is a form with fields for editing user details. The 'Late fees:' field contains the value '0'. There are 'Save' and 'Delete' buttons at the bottom of the form.

ID	Username	First name	Last name	Email	Phone number	Fee
6	john_doe	John	Doewew	john.doe@example.com	00000000	0
9	john_NOTdoe2	asdasd	asdasd	asdasds@gmail.com	66666666	0

Late fees: Save First name: Last name:
Username: email:
Phone number: UserID:

Save changes

Back

Step 2b. Change the fees amount in the **LATE FEES** field.

The screenshot shows the same user management application window. The 'Late fees:' field now contains the value '10', indicated by a red arrow. The rest of the interface remains the same, including the table of users and the edit form below.

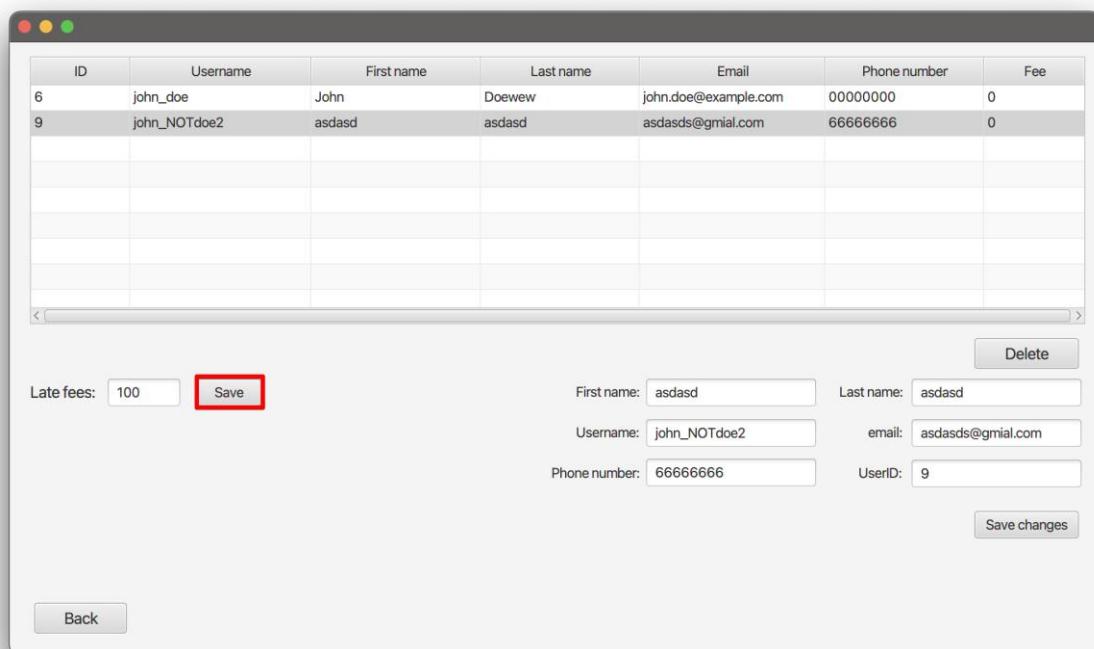

ID	Username	First name	Last name	Email	Phone number	Fee
6	john_doe	John	Doewew	john.doe@example.com	00000000	0
9	john_NOTdoe2	asdasd	asdasd	asdasds@gmail.com	66666666	0

Save changes

Back

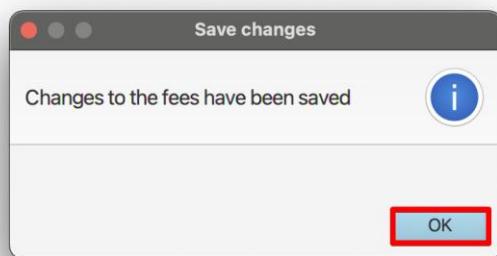

Step 3b. Click on the **SAVE** button next to the **LATE FEES** field.

Step 4b. The confirmation alert will be shown. Click on the **YES** button to confirm imposing fees to the account. (Click on the **NO** button to cancel imposing fees to the account).

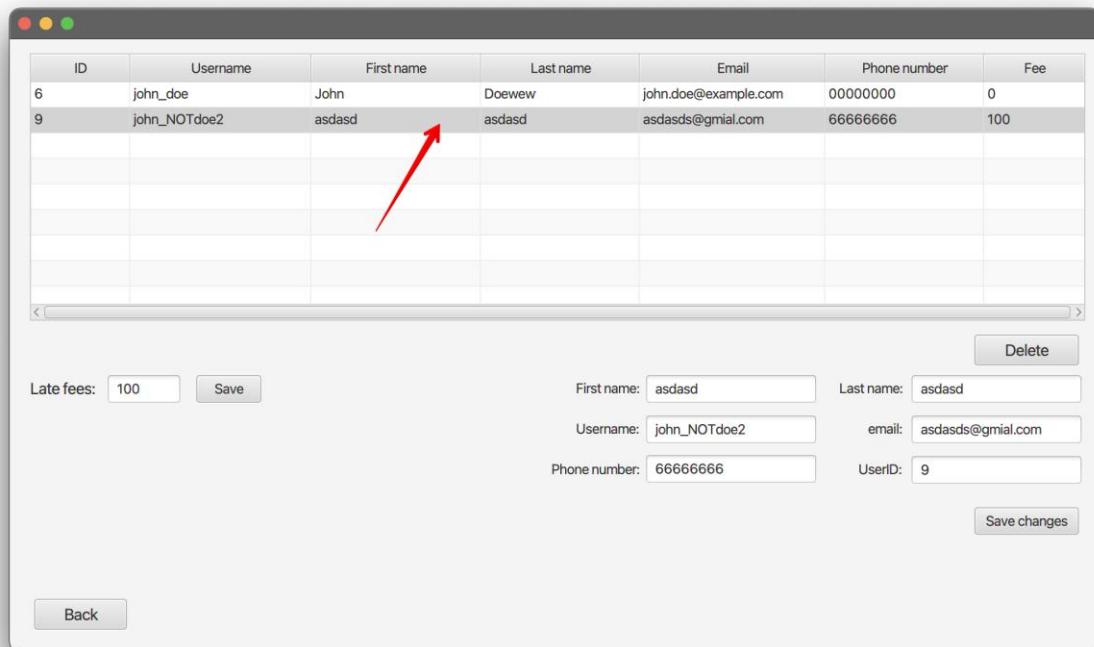

Step 5b. The success alert will be shown. Click on the **OK** button to confirm.

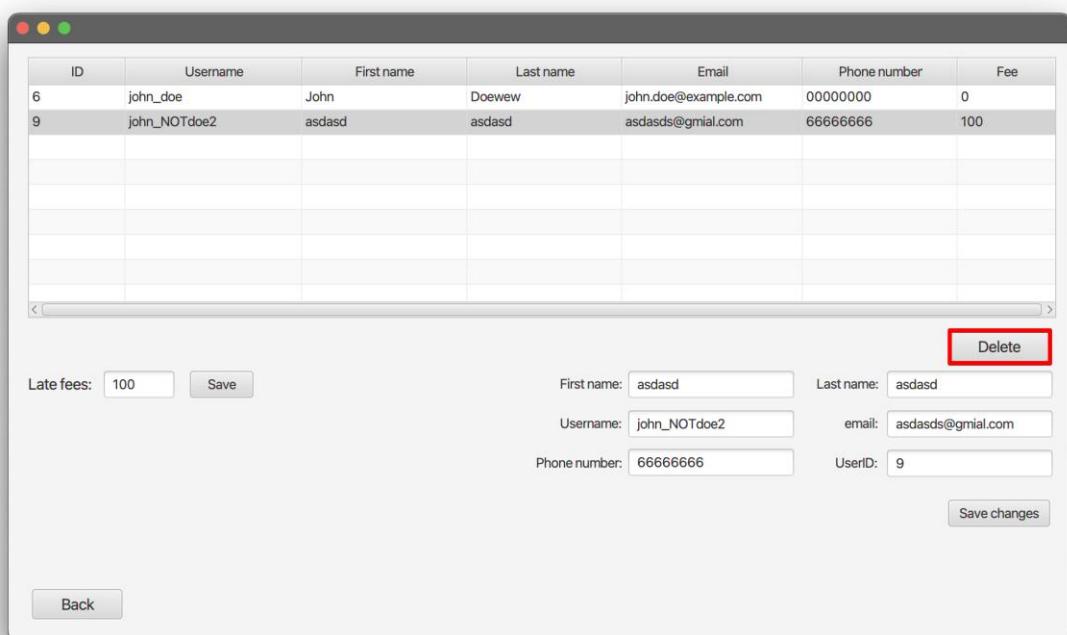

Delete Account

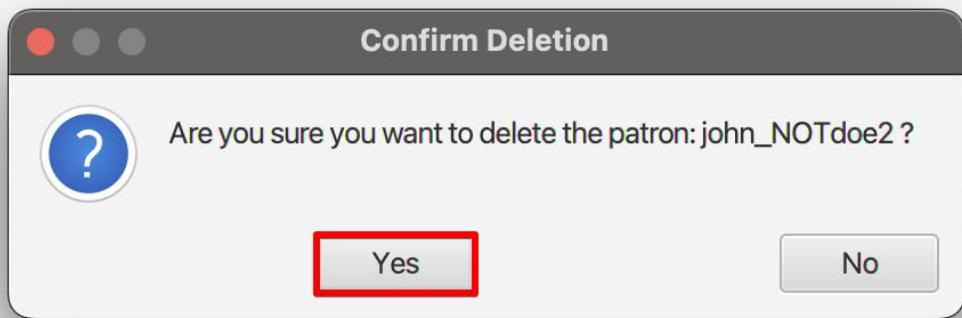

Step 1c. Select the account you want to delete.

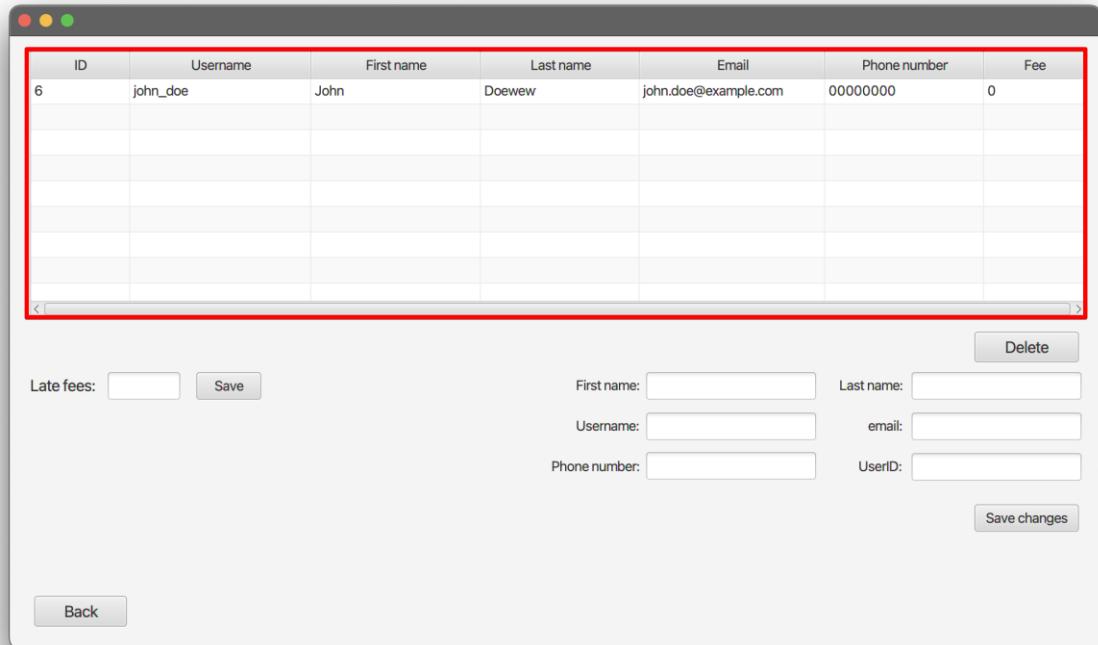

Step 2c. Click on the **DELETE** button on the middle-right side of the window. **DISCLAIMER:** You cannot delete an account that has any borrowed books.

Step 3c. The confirmation alert will be shown. Click on the **YES** button to confirm account deletion.
(Click on the **NO** button to cancel account deletion).

Step 4c. Previously selected account gets deleted.

A screenshot of a software application window showing a list of accounts and an edit form below it. The list table has columns: ID, Username, First name, Last name, Email, Phone number, and Fee. A single row is selected, highlighted with a red box, corresponding to the account from Step 4c. The edit form below contains fields for Late fees, First name, Last name, Username, email, Phone number, UserID, and Save changes button. There are also Back and Delete buttons at the bottom.

ID	Username	First name	Last name	Email	Phone number	Fee
6	john_doe	John	Doewew	john.doe@example.com	00000000	0

Late fees: Save

Back Delete

7. View Account

Step 1. Start the Book Worm library application.

Step 2. Provide a valid username and password and click the **LOGIN** button to log in as a Patron.

Step 3. Click on the **VIEW PROFILE** button.

The screenshot shows the profile screen of the Book Worm application. On the left is a sidebar with a circular profile icon at the top, followed by buttons for "View Profile" (which is highlighted with a red rectangle), "My Books", "See Events", and "Donate". Below these are "Borrow" and "Wishlist" buttons. At the bottom are "Help" and "Logout" buttons. The main area features a search bar with dropdown menus for "All" and a "Search" button. A table displays user data with the following columns: ID, Title, Author, Year, Publisher, ISBN, Page count, Genre, and State. The table contains three rows of data:

ID	Title	Author	Year	Publisher	ISBN	Page count	Genre	State
1	The Catcher in the Rye	J.D. Salinger	1951	Little, Brown an...	9780316769488	277	Fiction	Available

Edit Account

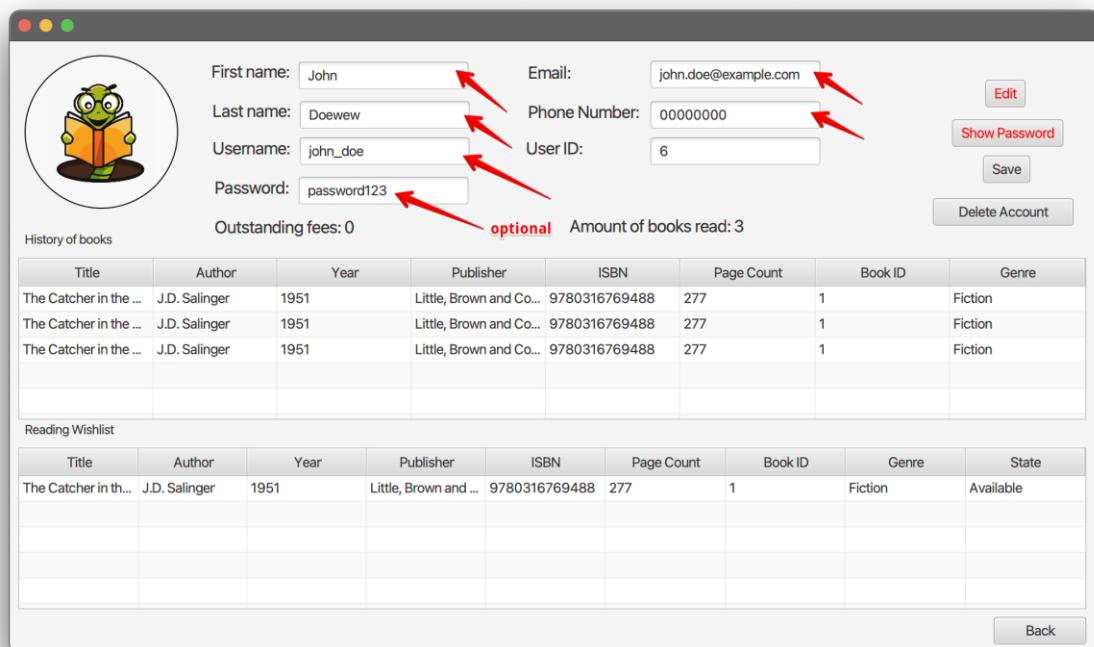

Step 1a. Click on the **EDIT** button in the top right corner of the window.

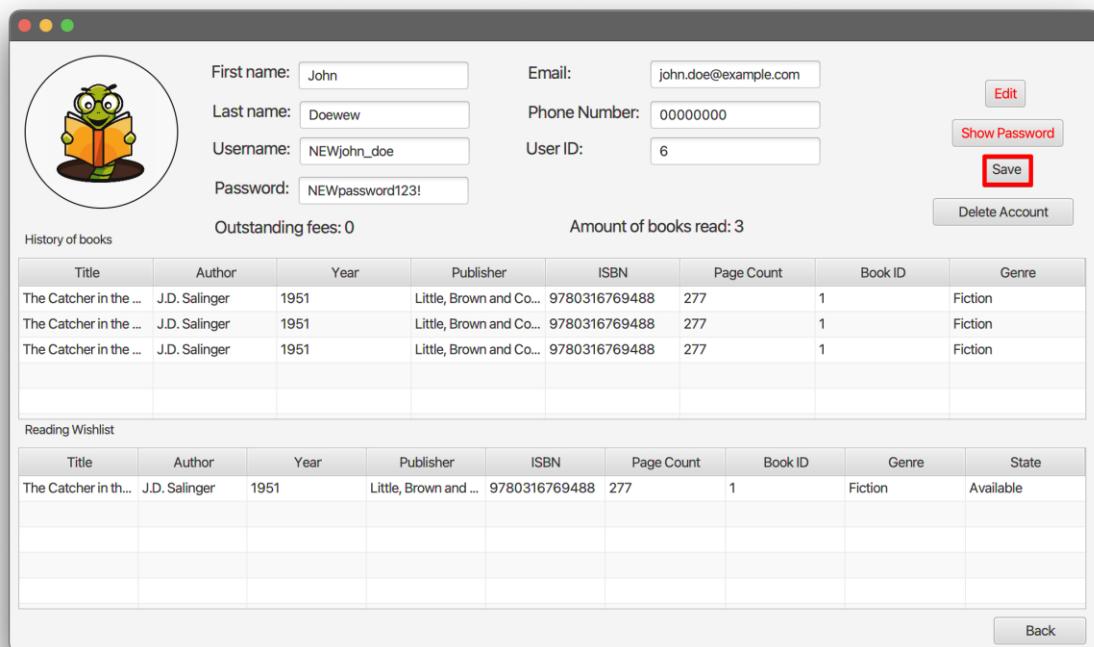

Step 2a. Edit fields with relevant account details. OPTIONAL: Click the **SHOW PASSWORD** button to show password field.

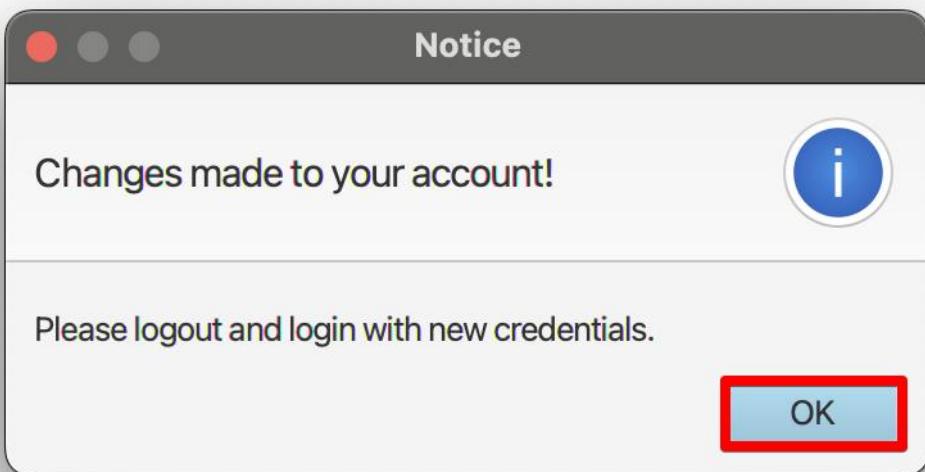

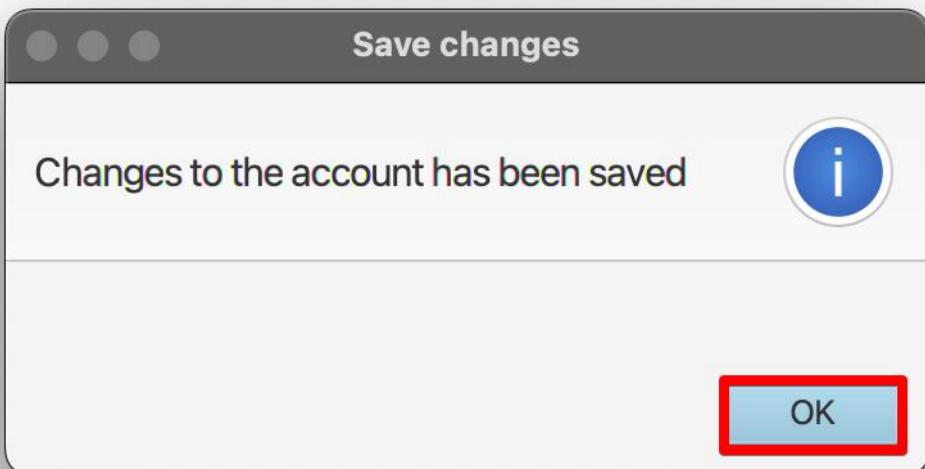

Step 3a. Edit the fields with relevant account details. OPTIONAL: Edit the password field with relevant password.

Step 4a. Click the **SAVE** button to save edited changes.

Step 5a. The success alerts will be shown. Click the **OK** buttons to confirm.

Remove Book From Wishlist

Step 1b. Select the book you want to remove from wishlist from wishlist table.

The screenshot shows a software interface with a user profile at the top. The profile includes fields for First name (John), Last name (Doewew), Username (NEWjohn_doe), Email (john.doe@example.com), Phone Number (00000000), and User ID (6). There is also an 'Edit' button. Below the profile, it says 'History of books' and 'Outstanding fees: 0'. It shows a table of three books: 'The Catcher in the ...' by J.D. Salinger, published in 1951, with Little, Brown and Co... as the publisher, ISBN 9780316769488, 277 pages, Book ID 1, and Fiction genre. A red arrow points from the 'Remove from wishlist' button to the 'Remove from wishlist' button in the next screenshot.

Remove from wishlist Back

Step 3b. The success alert will be shown. Click the **OK** button to confirm.

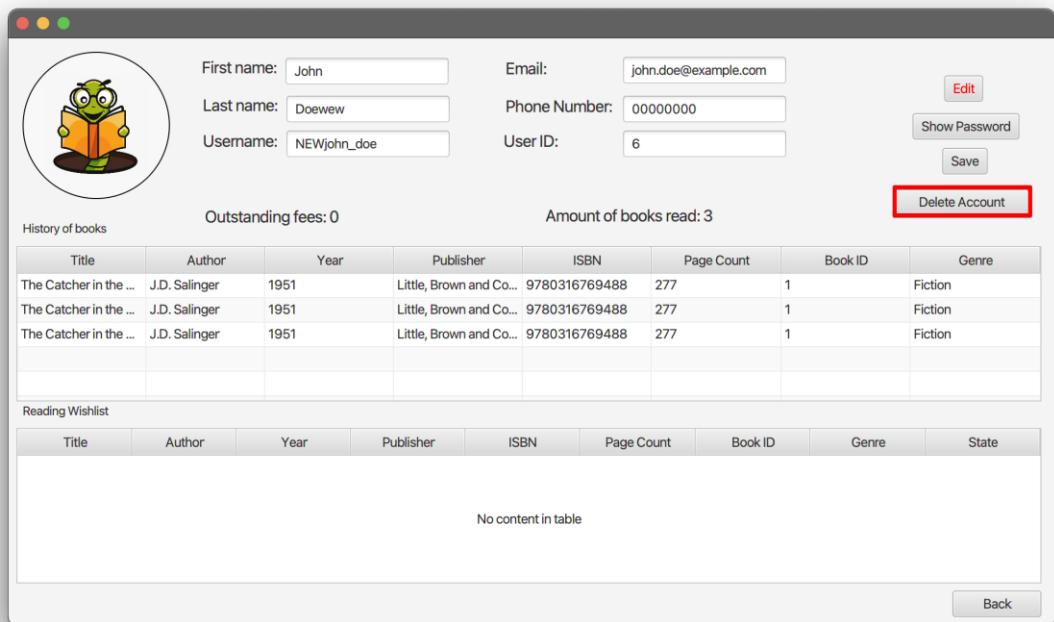

Delete Account

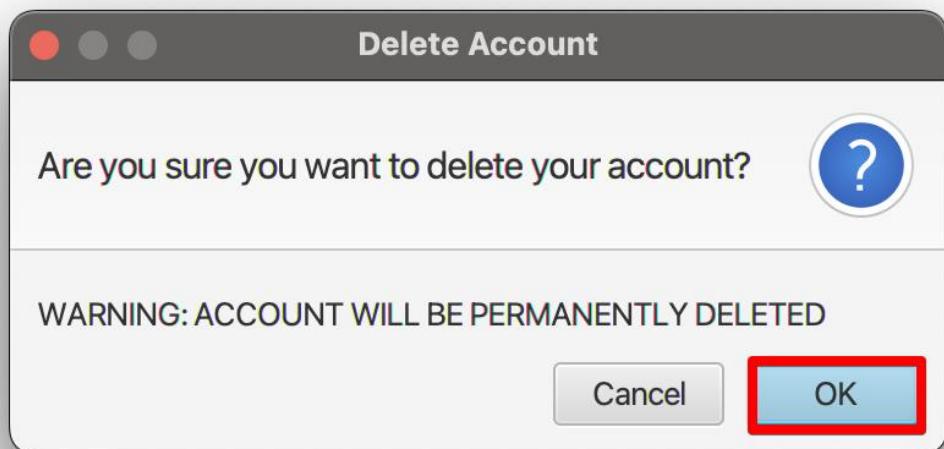

Step 1c. Click the **EDIT** button to enter account edit view.

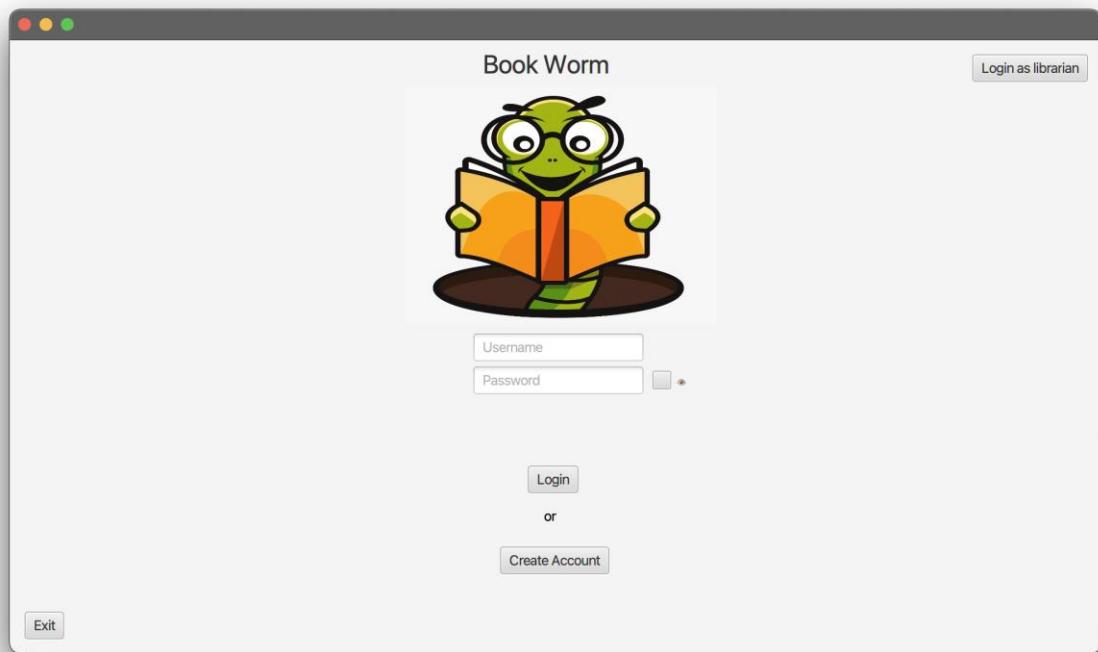

Step 2c. Click the **DELETE ACCOUNT** button. **DISCLAIMER:** You cannot delete your account if you have any borrowed books.

Step 3c. The confirmation alert will be shown with WARNING. Click the **OK** button to confirm account deletion. (Click the **CANCEL** button to cancel account deletion).

Step 4c. The account deletion will succeed and open login view.

8. Authentication

Step 1. Start the Book Worm library application.

Register Account

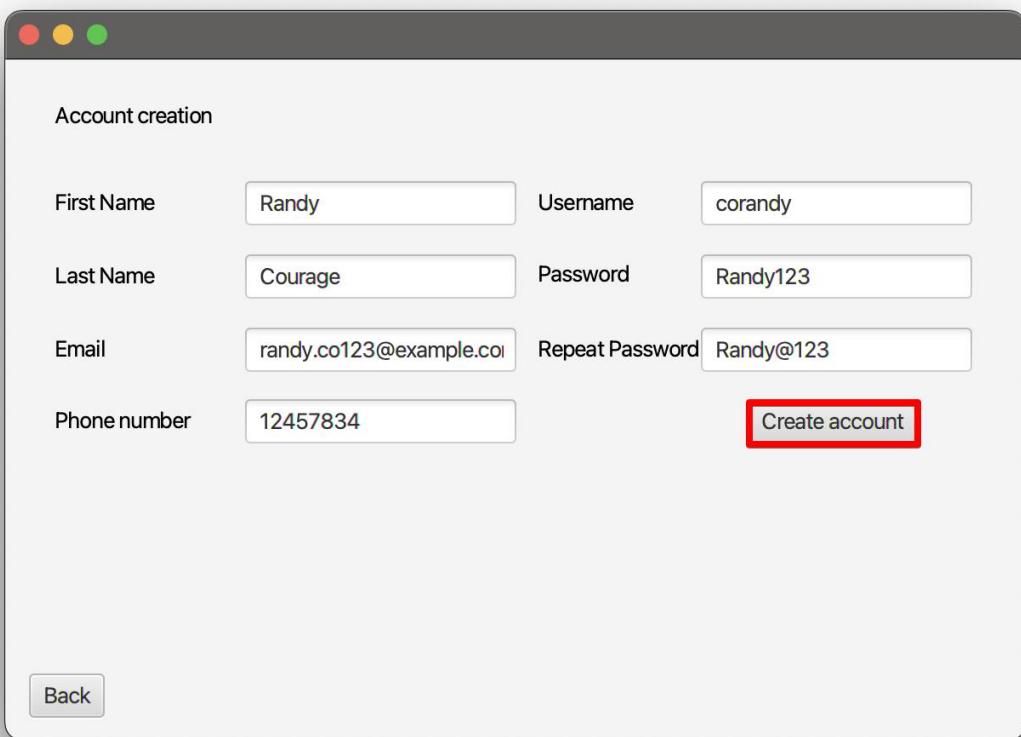

Step 1a. Click on the **CREATE ACCOUNT** button.

Step 2a. Fill out all the fields with your relevant data.

A screenshot of a window titled "Account creation". The form contains five input fields arranged in two rows: "First Name" and "Username" in the first row, and "Last Name" and "Password" in the second row. Below these is a row with "Email" and "Repeat Password". A final row contains "Phone number" and a "Create account" button. A red rectangular box surrounds the first four input fields (First Name, Username, Last Name, Password). A red line connects the bottom-right corner of the "Email" field to the "Create account" button. At the bottom left is a "Back" button.

Step 3a. Click the **CREATE ACCOUNT** button.

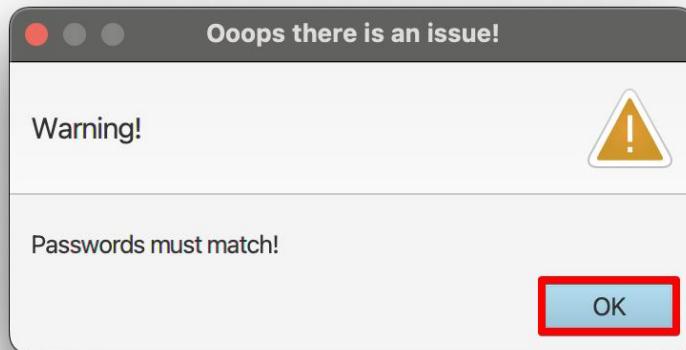

A screenshot of a Mac OS X-style window titled "Account creation". The window contains a form with the following fields:

First Name	Randy	Username	corandy
Last Name	Courage	Password	Randy123
Email	randy.co123@example.co	Repeat Password	Randy@123
Phone number	12457834	Create account	

The "Create account" button is highlighted with a red box. A "Back" button is located at the bottom left.

Step 4a. The system will check if provided details are relevant to account creation criteria. If you do not meet those criteria, an alert will be shown to correct invalid detail.

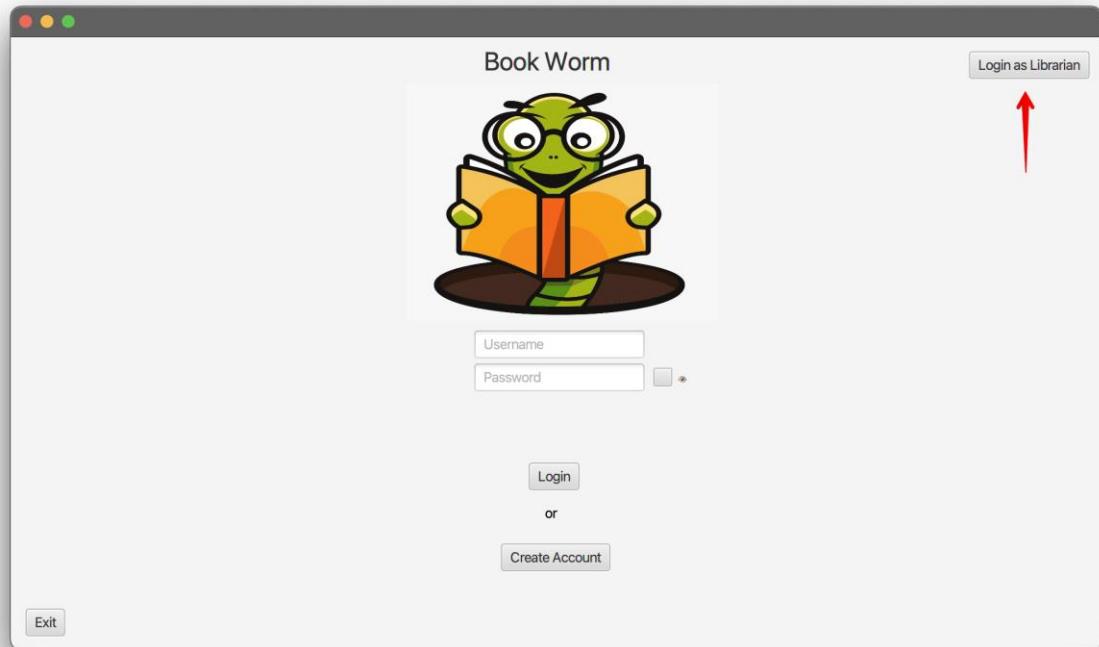

Example of account creation failed alert

Step 5a. The system creates an account and goes back to login view.

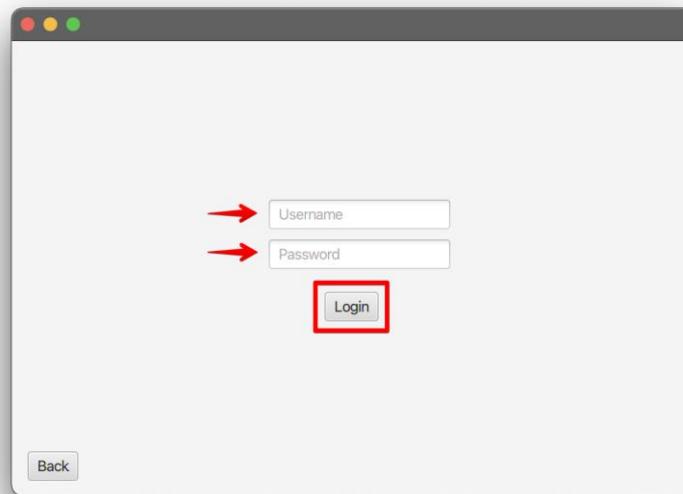

Login as a Librarian

Step 1b. Click on the **LOGIN AS LIBRARIAN** button in the top right corner.

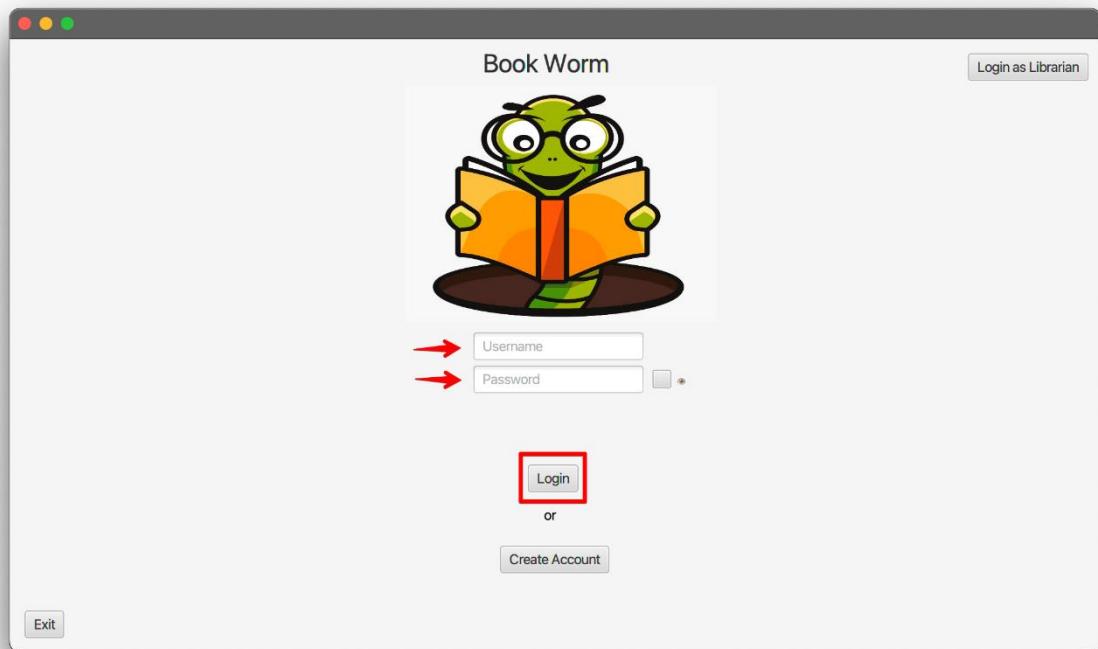

Step 2b. Provide a valid username and password and click the **LOGIN** button to log in as a Librarian.

Login as a Patron

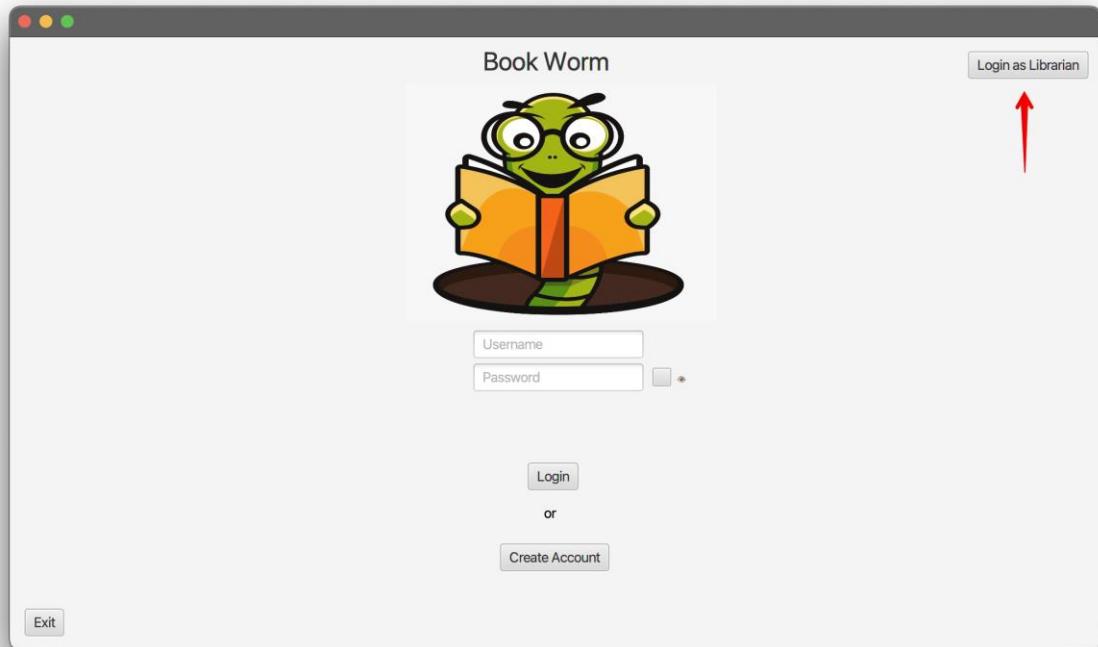

Step 1. Start the Book Worm library application.

Step 2. Provide a valid username and password and click the **LOGIN** button to log in as a Patron.

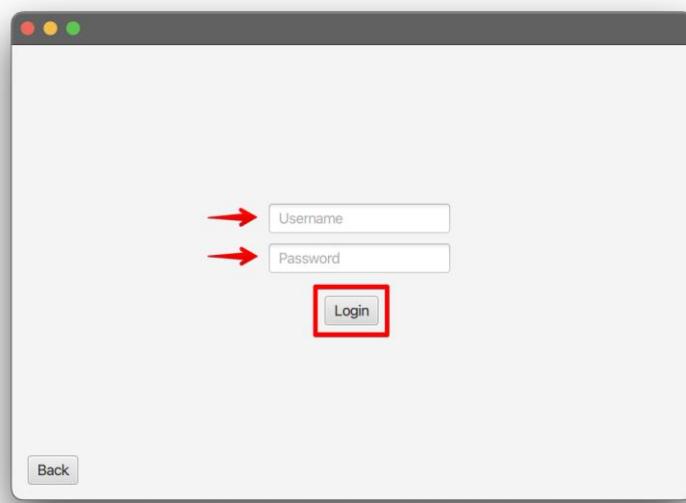

9. Manage Donated Books

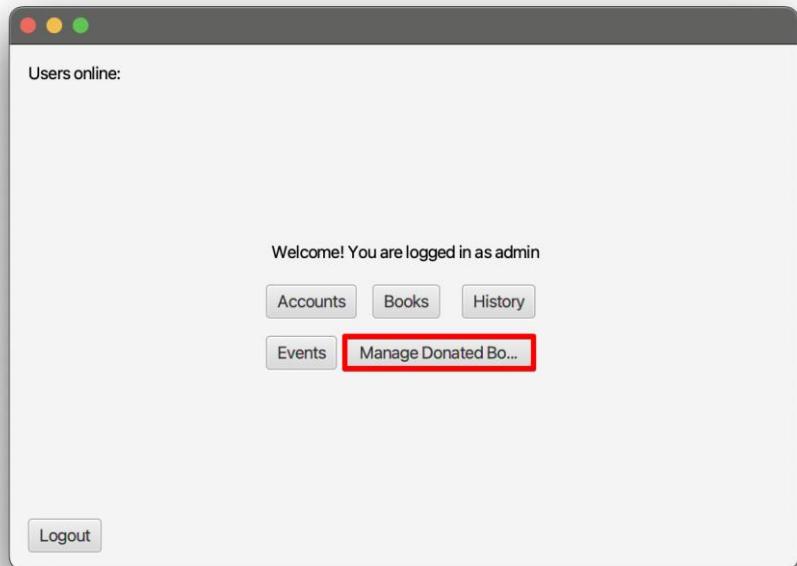

Step 1b. Click on the **LOGIN AS LIBRARIAN** button in the top right corner.

Step 2b. Provide a valid username and password and click the **LOGIN** button to log in as a Librarian.

Step 3. Click on the **MANAGE DONATED BOOKS** button.

Step 4. Browse donate book requests.

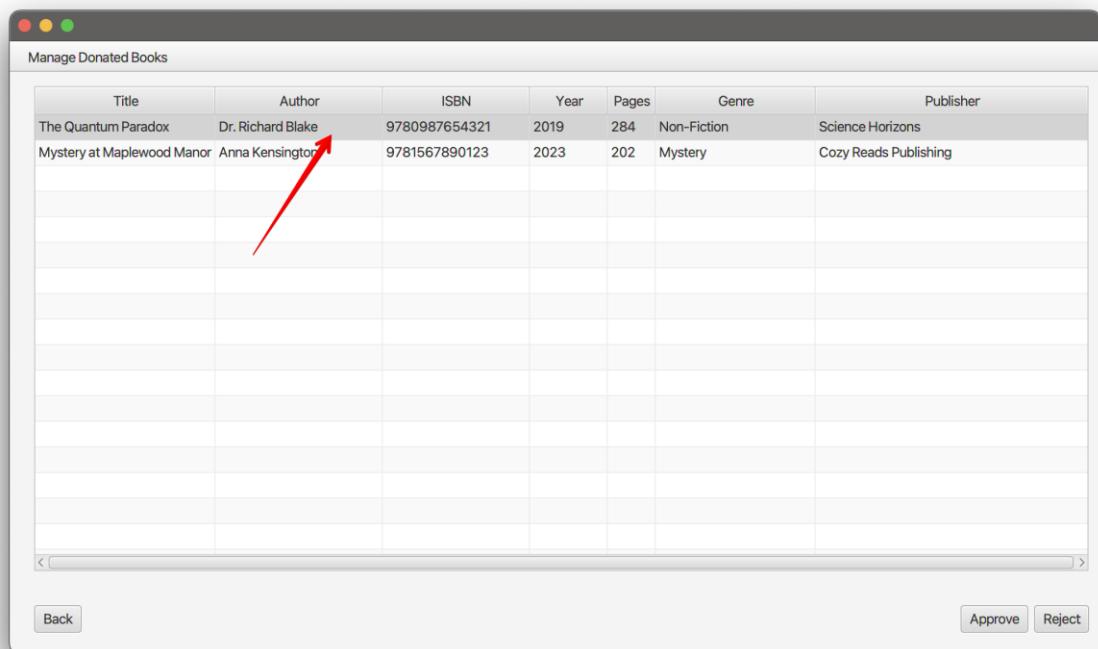

A screenshot of a table titled "Manage Donated Books". The table has columns: Title, Author, ISBN, Year, Pages, Genre, and Publisher. Two rows of data are visible:

Title	Author	ISBN	Year	Pages	Genre	Publisher
The Quantum Paradox	Dr. Richard Blake	9780987654321	2019	284	Non-Fiction	Science Horizons
Mystery at Maplewood Manor	Anna Kensington	9781567890123	2023	202	Mystery	Cozy Reads Publishing

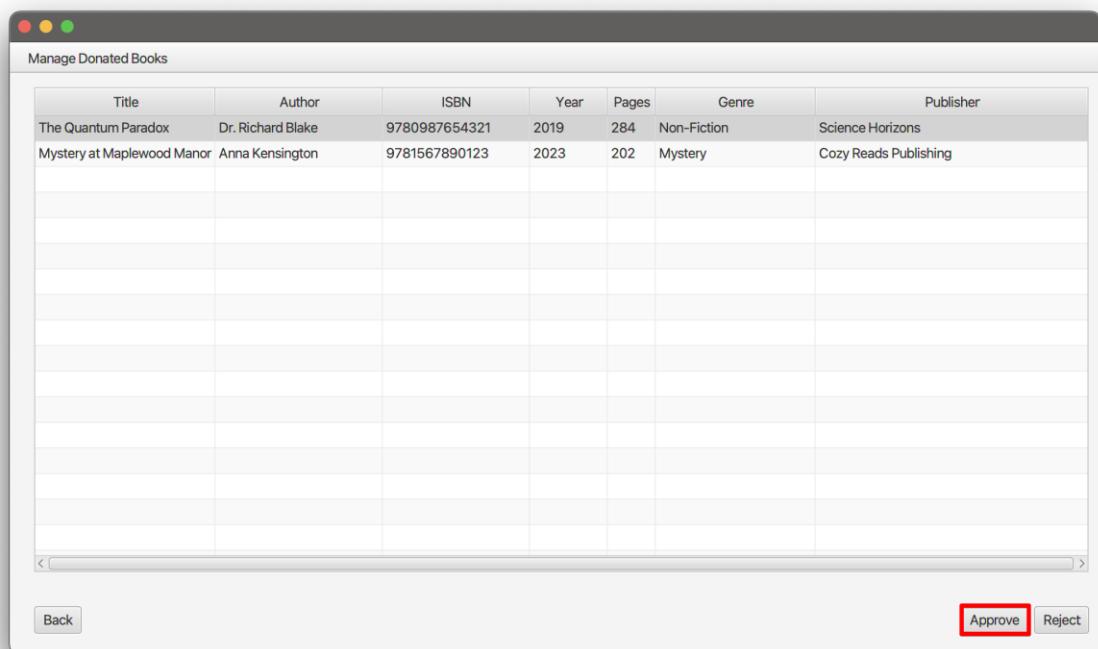

At the bottom of the table are "Back", "Approve", and "Reject" buttons. The entire table area is enclosed in a red border.

Approve Donated Book

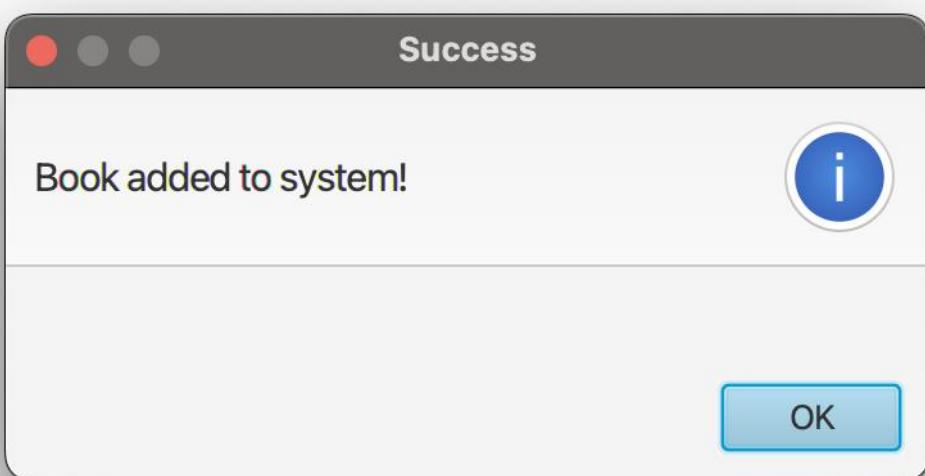

Step 1a. Select the donate book request you want to approve.

Step 2a. Click the **APPROVE** button.

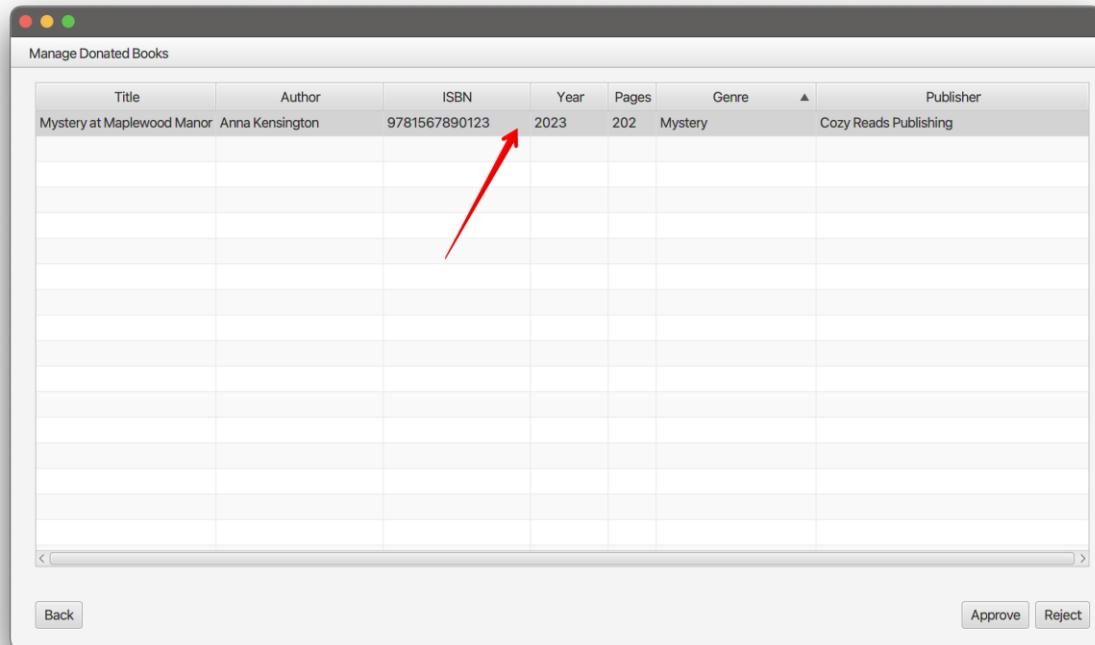

Step 3a. The success alert will be shown. Click the **OK** button to confirm.

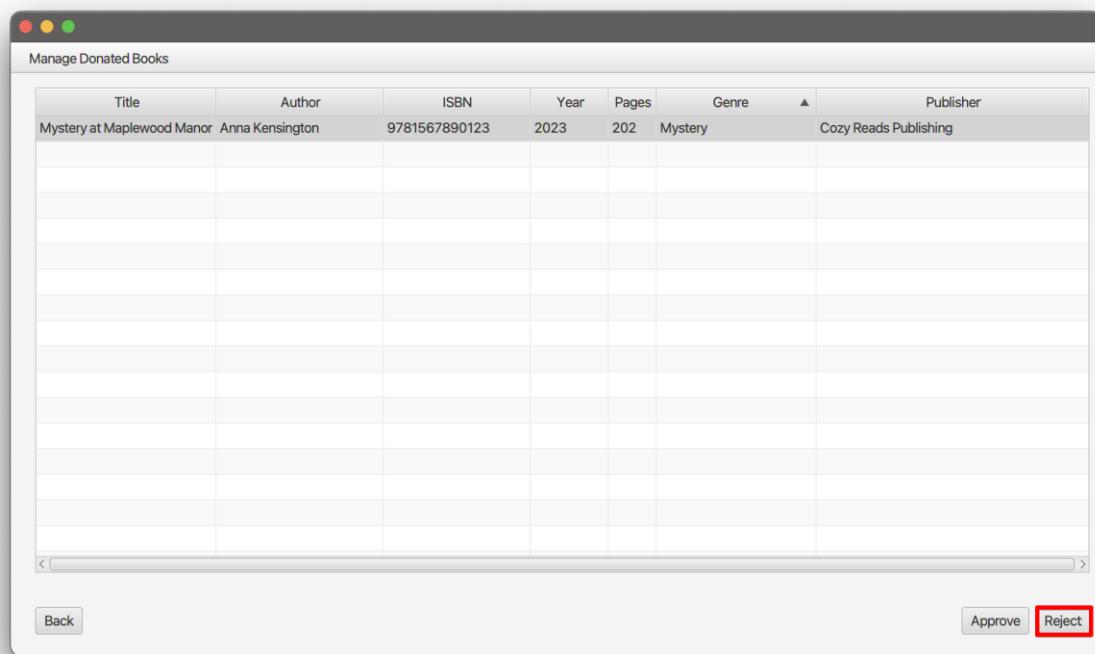

Reject Donated Book

Step 1b. Select the donate book request you want to reject.

Step 2b. Click on the **REJECT** button in the bottom right corner of the window.

Step 3b. The success alert will be shown. Click the **OK** button to confirm.
